

STRONG TONE IN WHEAT MARKET

Export Demand Sent Prices at Chicago to Year's Highest Point.

CHICAGO, Feb. 25.—Wheat today fought up to a higher level than any time since the first of the year. The enlarged export business was one of the principal elements of strength. Closing prices were easy, though, at a net advance of only a shade. Other leading staples all showed a rise over last night—corn 1-4 to 3-4, oats 1-4 to 1-2, and provisions 2 1-2 to 1-3. Seaboard exporters were liberal buyers of wheat in Chicago and there was considerable selling in the southward direct to Europe. Boston sent word of much freight room engaged for that point for transatlantic shipments, and this demand was felt at Baltimore also. The wide character of the foreign call was attributed to a radical cut in the estimates of the world's yield, the difference amounting as compared with 1909,000 bushels, as compared with earlier figures. Profit-taking on the advance led to a reaction during the last half hour, but there was no such weakness as the one that appeared in the market. Snow blanketing the winter crop was the chief bear influence.

Corn heavily bought. Corn shorts covered on a big scale. The heaviest sellers of the last two months were the most active buyers today. What brought about the change in sentiment was the fact that shipping demand was reported better in all quarters and that the movement from rural stations was expected to diminish. Oats reflected the strength of corn. Texas reports of crop damage were also of assistance to the bulls. Provisions climbed with hogs and grain. The ascent was made in the face of commission selling of a rather aggressive sort.

CATTLE MARKET ABOUT STEADY

Sheep, Lambs, Calves and Hogs Were Firm on Wednesday.

The receipts of live stock at the Union yards yesterday were 34 cars, comprising 147 cattle, 730 hogs, 107 sheep and lambs, and 34 cars. The quality of the fat cattle on sale yesterday was much the same as was offered on Tuesday, a few good to choice, but more of the common and medium classes.
