LIVE STOCK MARKET

Yesterday trading on the live stock exchange was very quiet, receipts being comparatively light, 374 cattle altogether, of fresh cattle. The market held steady o strong with the early part of the week, and there were no price changes of importance. There were a few lots of extra choice quality, but very few, and new high record was attained in heavy steers of \$15, brief reference of which appears in the market notes. Milkers and springers are seiling well, and stock-And springers are seiling well, and stockors and feeders showing quality and
weight, from 25c to 50c higher than a
week ago. Altogether a good close up
to the week'z trading.
