### SEPTEMBER IN ALGONQUIN

September is one of the most delightful months of the year in the "Highlands of Ostario." and Algonquin Park offers attractions that are not found in other districts. It is situated at an altitude of 2,000 feet above the level of the sea, assuring visitors of pure, bracing air that rejuvenates body and mind. A few days here is better than ounces of tonics and saves doctors' bills. The territory is also easy of access via the Grand Trunk, 200 miles north of Toronto and 170 miles west of Ottawa.
