

DISTRICT W.C.T.U. MEET AT WILLARD

Prohibition to Be Supported
by the Entire Mem-
bership.

NOT SOLDIERS' WISH

That Veterans Want Bar
Back, Labeled as In-
sidious Lie.

Business that will cover three days' sessions was launched at the opening meeting of the thirty-second annual gathering of Toronto District W. C. T. U. at Willard Hall yesterday afternoon. Mrs. F. C. Ward was in the chair, and the consecration service was conducted by Mrs. Kerr, district superintendent, a portion of Scripture being read by Rev. W. H. Hincks, D.D. After the routine of roll call and reading of minutes, the president gave her address, summarizing the year which ended in victory and the sacrifices of Flanders' fields. Reference to the coming contest on prohibition was made, with the statement that an organized propaganda as insidious as that of the Germans was responsible for the work of making it appear that the soldiers were anxious for the return of the bar. "It is not true," said the president. Referring to the progress of the movement in the United States, it was stated that prohibition will be law throughout the entire country, beginning July 1, 1919. What has been done in Russia in making it a country where the once national drink is now unknown and the condition of England were gone into in detail. The audience were told that the honor of prohibition is with Canada, and were advised not to endorse anything that would lessen entire prohibition.

Patriotic Activities.
The report of the corresponding secretary was read by Mrs. J. M. Redmond. Patriotic activities were outlined and \$296.89 reported as realized by the sale of flowers at the theatres, also \$218 commission on sale of tickets for the Regent. One hundred pairs of socks were sent to the Queen Mary silver wedding shower; 3000 tiny boxes were distributed for this year, and the members requested to contribute two cents weekly; the organization had taken booths at the victory loan campaign, had provided floats for women's day at the Exhibition, assisted at the armistice banquet by waiting on the returned soldiers, had launched and carried out a campaign for an extension to Willard Hall, which would have been more successful but for the opposition, the cause of which was at the time made public. The treasurer's report, read by Miss Lottie Harris, told of revenue from many sources, among them \$3055 fees, and \$1101.40 for soap wrappers; total receipts, \$10,922; disbursements, \$10,477.

Tells of Referendum.
A brief address was given by Dr.

Grant, vice-president and secretary of the Ontario referendum committee. The speaker told of the organization in progress regarding the coming referendum, and stated that they wished every country in the province to become active in the matter. It was the intention, he said, to make a personal canvass and get the opinion of every British subject entitled to vote. He was of the opinion that the attitude of some in the province had changed, and that they now thought that something should be done to allow privilege and opportunity for those who wished more latitude. The referendum would be the opportunity of a lifetime to give the banner province of Ontario the chance to give no uncertain tone to its voice when it voted for home-dry prohibition. What was needed was a constructive policy to bring this about. The sum of \$125,000 had been placed as the minimum that would be needed for the work, and it was hoped the women would assist to the extent of \$15,000. This would be needed for field workers and the distribution of literature. He knew the women of W.C.T.U. would assist as they had done on former occasions. A suggestion made was that a campaign for a dollar-a-head subscribers should be inaugurated.

Assured Support.
On behalf of those present, Mrs. Ward assured Dr. Grant of their support. The ceremony of decorating for life membership was performed by Mrs. Stevens, provincial president, the recipients being Mrs. Sommerer and Mrs. Baker of Bathurst Union; nine received the "star of honor" pin for obtaining ten new members, and four were given an additional bar on pin for obtaining between 30 and 50 new members. Eastern Union had succeeded in getting 100 new names. In the evening the reports on Willard Hall board were read by Mrs. Gray, and that of the Loyal Temperance League by Mrs. Powell.

SONS OF MINISTERS LAW CANDIDATES

Hearst, Lucas and McPherson
on List for Ad-
mission.

Among the list of candidates for admission to the law school list which was hung up at Osgoode Hall yesterday are the sons of three ministers of the crown—William Irving Hearst, son of the premier, Sir William Hearst; Isaac Brock Lucas, son of the attorney-general, and Norman Bates McPherson, son of the provincial secretary. The list contains the names of 39 male would-be students and one female candidate.

There is also on the list the name of John Gowans Middleton, the son of justice Middleton, and Henry Macmillan Taylor, son of a judge of the county court at Stirling.

Thirteen of the 40 are from Toronto. Four are from Hamilton. The rest are distributed one each from 21 places in Ontario, one place in Quebec and one from the old land.

"You Will Try the Nerve Food, Won't You?"

"YOU seem to think that it would help me."

"I don't think anything about it, I know it would."

"And how do you know?"

"From personal experience. Isn't that the surest way to know anything?"

"I guess you are right. But you know I never had any use for medicines."

"Not many people have so long as they are well, and you were always well until you had this nervous breakdown. That was just the trouble, you thought you could stand anything, and overworked until you had not an ounce of nerve force left. Now you have to build up the nervous system again."

"Oh, I will soon be all right."

"Yes, I think you will if you use Dr. Chase's Nerve Food, but you know you have not improved one bit in the last three weeks, and it's time you got something to help you. I was not a nurse for nothing. I know what you need and I never found anything in all my nursing experience

that would build up exhausted nerves so thoroughly as Dr. Chase's Nerve Food."

"Well, I suppose I may as well give in, for I see you will have your way."

"Oh, I am so glad. I am going to send Bobbie to the drug store for half a dozen boxes right away."

"Why not try one first?"

"What is one box of medicine for a man whose nerves are in the condition yours are? This Nerve Food is not a miracle worker. It cures in Nature's way by gradually building up the depleted nerve cells. This is why the results are so certain and so lasting, but you must have a little patience."

"Oh, all right. You are the doctor. So we shall see what this Nerve Food will do for me."

Dr. Chase's Nerve Food, 50 cents a box, 6 for \$2.75, all dealers, or Edmanson, Bates & Co., Ltd., Toronto. On every box of the genuine you will find the portrait and signature of A. W. Chase, M.D., the famous Receipt Book author.

This performance will be given at 10 o'clock Thursday morning. The parade will leave the show grounds as near 10 o'clock as possible, and will, after a short run, route down Dufferin to College, and then to Dundas to Spadina to Queen to Simcoe to Adelaide to Jarvis to Bloor to Dufferin to the show grounds. CITY SUCCESSFULLY EMULATES TROPICS

Abnormal Heat Increases to
Almost Record
Heights.

Torontonians experienced another prolonged spell of perspiration yesterday, the highest temperature in the course of the afternoon being 94, which beats the recent hot days. In Ottawa, however, the conditions were even more torrid, the top figure being 96, and in Montreal, Quebec and Parry Sound it was 92.

The heat was well maintained in Toronto, and the demand for handkerchiefs greatly increased. At eight o'clock in the morning the thermometer showed 79 degrees, but from then onward there was a noticeable elevation till at noon the figure was 91, at 2 p.m. it was 93, and at 4 p.m. the same, and at 8 p.m. 85. The mean was 79 and the lowest 64.

The weather man last night held out better hopes for the perspiring multitude, the forecast being "fresh easterly winds and cooler."

There is one well established fact that it was really hot yesterday—a thirsty man declared prohibition beer tasted like the real stuff.

Some of the costumes seen on Yonge yesterday suggested that the mixed bathing season had started in real earnest.

In a moment of heat the general strike was declared off and fizzled out.

The heat sent a lot of men to the ball game at the island yesterday afternoon—but that was not the excuse they made over the phone for not going back to work after lunch. It also gave a lot of people a nice excuse for not paying their taxes at the city hall.

A big fat man said yesterday that Palm Beach suits were all right but personally he objected to wearing anything but the palm and that the police would not permit.
