MEETING OF THE MONTREAL BRANCH.

The fourteenth annual meeting of the Montreal Branch of the Entomological Society of Ontario, was held on May 31st, 1887, when the following officers were elected for the ensuing year:—President, G. J. Bowles; Vice-President, H. H. Lyman; Secretary-Treasurer, F. B. Caulfield; Council, W. H. Smith, J. G. Jack, J. F. Hansen and R. C. Holden.

The reports of the Council and Secretary-Treasurer were read, and on motion, adopted.

Mr. Bowles showed a box of Lepidoptera collected at Sudbury, by Mr. J. D. Evans, several of which were new to the members.

Mr. Lyman read a list of Hymenoptera and Diptera, taken at Hudson's Bay, by Dr. Robert Bell.

Mr. Caulfield read the following report of the Council for the past year:—

During the past year, the absence of several of our most active members from the city, has resulted in but little collecting being done. Mr. Caulfield, however, has success-
