

Dear Eddie
 Smithy's ma says we don't any of us take enough vacations - she says to stay popular, stay away. We are all getting on each other's nerves - we don't know how much we love each other until we get home sick. Get away, she says - Monstony is killing more people than over eating - The same place and the same companions wear us out. - she says to that is home if you are chained to it. Don't let your friends own you - You own it - Don't let your friends own you - You own your self. Lead your own ship - his ma says some girl!
