WESTERN EASILY TAKES ROUND FROM GUELPH

38 65 The Western consisty basketball team passed out a decisive trimming to the Ontario Agricultural College squad from Guelph in the second game of the home-and-home series in the O.A.B.A. semi-finals here last night. The score was 42 to 24, Western winning the round by 27 points. The university team was in fine shape, and played a consistently good game.

While Smith scored the most points for the university, making 22, Pritchett's shooting, or, better still, his method of dropping the ball in the basket was the outstanding feature of the game. Michael gathered most of the Aggies' points, collecting ten, while O'Dell brought in nine, and Matheson was responsible for the remaining four. The Aggies worked hard, especially Michael, but could make little headway against the Western checking. In combination and team play Western far excelled the visitors, although in the second half Guelph looked better. The bocals pulled some very pretty plays during the game.

As the game was played under western rules, the seven-man style, and owing to their one-goal lead secured in the first game, the Winnipeg champions were strong favorites tonight at odds of 2 to 1, and 5 to 2, that they would return west with the cup. Their defeat came somewhat as a surprise to their supporters and to the fans, the majority of whom expected a Winnipeg victory. There is no doubt but that the better team won. This was conceded by the westerners, who warmly congratulated the Kitchener lads on their victory.

The game commenced at a terrific pace, with Kitchener on the aggressive. The play was in Winnipeg territory for considerable time, and Winkler stopped several hard shots. Both teams displayed some fine combination.

The Ypres players were playing their positions better, while the Kitchener lads were roaming all over the ice and burching repeatedly. This was expected after playing the six-man style all sea-son.

Parkes and Solomon contributed some

arter playing the six-man style all season.

Parkes and Solomon contributed some nice two-man rushes and the latter twice hit the goal-post. Parkes' rushing and clever stick-handling were features. "Chum" Irwin and Leroux got into a mix-up, and the latter was fenced. The checking waxed up warmer, with the westerners becoming real strenuous. For slashing Hillier, Bostrom was chased, and in his absence, Parkes go: clear through, but Winkier came out of his goal and saved. A moment later Parkes took a pass from Solomon following a rush by Karges, and Parkes drew first blood for Kitchener, tying the round in fifteen minutes.

following a rush by Karges, and Parkes drew first blood for Kitchener, tying the round in fifteen minutes.

Kitchener Ever- Up,

A scramble followed some loose work around the Kitchener net. Dartnell pushed the puck into the net, tying the score. Parkes and Hughes exchanged wallops with their sticks, and both were chased. Both returned as Alex. Irwin and Dartnell were benched for tripping. During their absence Karges and Solomon combined nicely, and the latter found the corner of the net for Kitchener's second tally, and again the teams were on equal terms.

Hillier was next to cause the dispeasure of the referce, and was fenced. The play was very even during the remainder of the chapter, but there was no scoring, and the teams retired for the rest period with Kitchener leading, 2 to 1, and the round tied.

When play was resumed in the second half Winnipeg immediately assumed the aggressive. The pace was terrific and both goals were repeatedly threatened. Ypres were checking back like fiends, and were having a margin of the play. Bostrom was benched for upsetting Leroux, and Kitchener stermed the Winnipeg citadel. Winkler was held out until Bostrom returned

Ypres Givcs Way.

Hughes was then chased for tripping, and as his penalty expired Hiller got the hook. Both returned and the play continued at a terrific pace. Alex Irvin was injured, but he continued after a short delay. The play continued very even for 25 minutes. Winnipeg cracked under the terrific strain, and Kitchener ran in two goals in quick succession. Leroux rapped in a rebound off Solomon's shot, and one minute later Karges rushed alone and carried the rubber right in to the Ypres goal mouth and rapped in the rebound from his own shot before Winkler had a chance to clear.

Pandemonium then breke loose, and reigned until the end of he play. The
