CHURCH'S COLD WATER Alabastine

Not the most costly,
but the most stylish

and beautiful of all wall decorations.
Alabastine tints make a room glow with
warmth and cheerfulness. With the 21
tints and white you can best produce those
soft, velvety effects which are found in the
most fashionable homes to-day. Anyone
can apply Alabastine. Just mix it with
cold water and brush it on the wall. No
glue or paste required. While quite inex-
pensive, Alabastine is the most sanitary
and durable wall coating known. Hardens
with age. Will not rub off or fade.

Free Stencils Let our staff of expert
decorators draw up Color
Schemes for you, free of charge. We will also
supply Free Stencils for attractive art panels and
friezes (the border of this ad shows one of our
stencils). Write to-day for full particulars and
handsome booklet.

To make sure you get what you pay for, look for the "little
church on the label." None genuine without it. Ask at
Hardware and Paint Stores.
