## Christmas Suggestions

### For Those Who Must Count What They Spend

If you are one of the few to whom money means nothing at all, it makes little difference what store you spend it in, but if you must take care of your money, Tisdall's Factory-to-Pocket Jewelry Store is here to help you do it, by saving you every middleman's profit on your Christmas Jewelry Gifts.

There is no time of the year when our common sense money-saving method of selling Jewelry is so important as it is right now, during the Christmas buying. Our store is one immense treasure chest of exquisite and beautifully-fashioned Jewelry thrown open to you for your selection. Our whole organization is driving ahead at full speed, and running more smoothly than ever. Notwithstanding the fact that our store is usually packed with customers, our well-trained staff of salespeople are plentiful enough to give you quick and courteous service.

Our immense stock is still complete, and our Factory is running till 10 o'clock every night in our endeavor to replenish any styles

of Jewelry we may run out of. Fresh stock is pouring down from our Factory every day, so that you may be assured of finding the newest and choicest designs of Jewelry here always, and not have to select your Xmas Jewelry from a picked-over stock, such as you will find in many stores, as they have no Factory to replenish their stock as the occasion demands.

Our prices are our main bid for your patronage. Having an immense and modern Jewelry Factory of our own, we are enabled to supply the demands of all our customers at actual Factory cost, plus our own profit, which means a saving to you of every middleman's profit.

Come and inspect our wonderful variety of Jewelry, select your gifts now, and, if desired, by paying a small deposit, we will reserve them for you till Xmas. Come early in the day, when our store is less crowded, or in the evening, as **WE KEEP OPEN TILL 10 P.M.** Don't put your shopping off till the last moment. **DO IT NOW**, when you are not so apt to encounter the great crowds that pack our store to the doors later on.
