Gives Fire Alarm—Six Storey Building is Emptied Within Seven Minutes.

Syracuse, N. Y., Jan. 21.—Herodotus of a crippled man was a vital factor in preventing a disaster when flames threatened the Hotel Warner, in which more than one hundred persons were sleeping.

Arthur Prieur, one of the owners of the hotel, aroused by the smell of smoke, hobbled on crutches from room to room, aroused the endangered by thumping on their doors and made a quick check-up to see that all the guests had left the building.

More than half the people at the hotel were women and at no time was there any sign of panic. Women and children came down the fire ladders as calmly as did the men.

The damage to the building was estimated at \$50,000, caused mostly by water. The blaze started in the cellar from an undetermined cause.
