R. W. HANINGTON TO BE

CHIEF C.N.R. COUNSEL

IN BRITISH COLUMBIA

Son of Late Judge Hanington and Brother of Mrs. M. G. Teed of St. John

The Daily Colonist of Victoria, British Columbia, of July 29th, contains the resignation of Robert Wetmore Hanington, K. C., city solicitor of Victoria. The paper also gives notice of his acceptance of the position of chief counsel for the Canadian National Railways for British Columbia. He will enter upon his new duties on Sept. 1.

Mr. Hanington has been city solicitor since Nov. 1, 1915, having succeeded F. R. Robertson, K. C., now of Halifax, N. S.

The mayor of Victoria says: "There is no doubt that Mr. Hanington has been one of the most able and efficient solicitors the city of Victoria ever had."

Mr. Hanington is a New Brunswicker, and a son of Westmorland's shire town. He was born in Dorchester and is a son of the late Mr. Justice D. L. Hanington of the New Brunswick supreme court bench and a brother of Mrs. M. G. Teed and Mrs. Geo. H. Paynter, also of Major C. L. Hanington, now overseas.

Mr. Hanington is a graduate in arts of the U. N. B. and graduated in the L.L.B. course from Dalhousie College of Halifax. He commenced his legal career in St. John, N. B., in 1898. He went to the Pacific province in 1897.

The Daily Colonist of July 19th says editorially:

"While congratulating R. W. Hanington, the city solicitor, on the important new post which he has accepted, we cannot but regret that he is shortly to sever his relations with city hall. The honor which has fallen to his lot in being offered the chief legal representative of the Canadian National Railways in British Columbia is a richly deserved one."

"As city solicitor he has been a tower of strength to the municipality and has proved an admirable custodian of Victoria's interests."

"He is a municipal lawyer, well equipped for the task, as his record here of nearly four years goes to show."

"His ability and efficiency have been evidenced again and again, and a range of experience which he has been able to bring to bear upon the problems he has had to wrestle with has always stood with him and incidentally the city, in good stead."

"When Mr. Hanington leaves here the city will lose a most valuable lawyer, who gives the closest study to the affairs with which he has to keep conversant."

"He is painstaking and conscientious in all his work. That the value of his labors is recognized as far away as Ottawa is proved by the new appointment, which he will take up on Sept. 1."

"The Canadian National Railway, do serve congratulations on having secured his services."

MOTHER TAKES LIVES OF HERSELF AND CHILDREN

Nelson, Ohio, July 30.—Several hours before authorities were to remove them to the Athens County Home yesterday, several children, six weeks to ten years old, were found with their mother, Mrs. M. St. Navis, burned to death or asphyxiated in their home at Kimberly, a small mining town near here.

The children were tied to their beds and coal oil had been sprinkled over the room.

It is supposed that worry over the separation caused the mother to destroy herself and the children.

SPAIN AND THE LEAGUE

Madrid, July 30.—The foreign minister yesterday introduced in the senate a bill empowering the government to adhere to the League of Nations and the international labor agreement as incorporated in the treaty of Versailles.
