MUNITION MAKING CHILE AROUSED BY DAMAGE DONE TO GERMAN SHIPS

Washington, Sept. 7—Many thousands of women must be prepared to enter munition factories and other war industries as soon as the War Department begins to issue its calls to the colors under the new man-power legislation, according to a statement made today by Bernard M. Baruch, chairman of the war industries board. While large numbers of women already are doing this kind of work, Mr. Baruch indicated that the situation now faced would call for their induction into the industries on a scale which had not been generally anticipated. He expressed the opinion also that the women of the nation were eager and equipped to shoulder the task, and that their particiaption on a large scale would prove "an immense stimulation to production."

It was suggested by Mr. Baruch that the women gould do much of the mu

the regulations may be framed on a basis which will best serve the interests of the nation.

One of the important decisions announced today was that bankers and persons engaged in other occupations and employment not heretofore regarded by district boards as warranting deferred classification on the ground of necessary industries, many now claim deferred classification on the ground that their work is necessary to the nation in the present emmergency.

Chilean authorities have taken over all the German steamers to prevent the Teutons from sinking them, thus blocking the harbor.

Chile has maintained diplomatic relations with Germany, and in general observed a neutral attitude throughout the war. In common with other South American nations, however, she has expressed sympathy with the aims of the United States.

There was apparently some friction between the Chilean Foreign Office and the German diplomatic officers during LOYALIST CHAPTER MEETS.
Loyalist Chapter, I. O. D. E., at their regular meeting held yesterday in the Bible Rooms on Germain street, transacted much important business and planned many future activities. The regent, Mrs. H. Mackay, was in the chair and the meeting was very largely attended. Two votes of money were made, the first, of \$10, to the Blue Cross fund for army horses, and the second, of \$150, to fill 100 Christmas stockings for the Red Cross Society. Ninety-eight

Ninety-eight pairs of socks and seven suits of pyjamas were handed in at the meet-ing and a large amount of talen money had been brought by the different mem-bers. Very satisfactory reports were re-ceived from the committee which assist-ed with the Navy League Tag Day and from the sphagnum moss committee. It No matter how fussy you are about your ed with the Navy League Tag Day and from the sphagnum moss committee. It was also reported that the little boy in whom the chapter is interested and who is suffering from tuberculosis is now a patient in the East St. John hospital. Plans were discussed for an entertainment with a field day and high tea to be held at Lakeside in September, and for a rummage sale to be held this month as well. The chapter made arrangements for a lecture to be delivered under its auspices. Smokes — the Pippin will satisfy you.
