A Deal Under Way.
New York, May 1.—George Stahling, manager of the Boston National league team, while admitting a trade was pending declared that the report that he had acquired Pitcher Rudolph, of the Toronto Leafs in exchange for Pitcher Brown and another consideration, was premature. The deal has been under way he declared, but there is a hitch because of an intention which Rudolph has expressed to go into business in New York.

Bill Defeated.
Sacramento, Cal., May 2.—The proposed anti-prize fight bill, making the promotion of a prize fight in this state a felony, and attendance at one a misdemeanor, was defeated by a vote of 38 to 24 in the lower house last night.

Lively Bouts in Calgary.
Calgary, May 2.—By reason of his good showing against Andy Morris of Boston, in Manchester arena last night, Arthur Pelley, of Calgary looms up as a formidable opponent for Luther Morris here on May 24. For seven rounds Pelley made Morris appear like a novice, and in the eighth referee Tommy Burns had to stop the bout to prevent a knockout. Pelley made good use of his right and in the seventh round landed thirteen rights to the face and jaw.

In a welterweight preliminary, McIntyre of Calgary won the decision over Billy Griffiths of Cincinnati, in twelve fast and furious rounds. Because of the showing he made with Ray Brown, two weeks ago, Griffith was a a-two to one favorite, but the fact that he was only at this altitude for three days, may have had some effect on his stamina.
