Canada Doctors Prescribe and Recommend

Duffy's Pure Malt Whiskey

The good results derived from the great tonic stimulant, among leading doctors, have been so marvellous that they feel it their duty to express themselves publicly for the benefit of the profession as well as the public health.

KNOWN IT FOR TWENTY YEARS.

"I might say that I have known Duffy's Pure Malt Whiskey for twenty years, and am happy to tell you that I consider it the purest and very best product of its kind on the market." Dr. J. J. A. Asella, M.D., Rome, Quebec.

I OFTEN PRESCRIBE IT.

"Do not advocate indiscriminate use of alcohol, but I often prescribe Duffy's Pure Malt Whiskey in moderate doses, especially for older people suffering from senile changes and debility. I order it to be taken during the principal meal of the day, and well diluted.

An important matter is to find a safe and reliable liquor. While I practiced my profession in Boston, Mass., which I did for twenty-five years, I had frequent occasion to order Duffy's Pure Malt Whiskey among my elderly patients, and I must say the result was to their advantage." Prosper Bender, M.D., Quebec, Que.

BENEFICIAL RESULTS.

"I have employed Duffy's Pure Malt Whiskey where indicated for a great many years with great success. I would not be without it, as it is pure and palatable. Have had the best results after lingering illness and in children and the old. Its low proof and delicate flavor make it most acceptable and beneficial, hastening convalescence." J. P. Silverthorn, M.D., Clitham, Ont.

A GENTLE REMINDER.

Smith is a young New York lawyer, clever in many ways, but very forgetful. He was recently sent to St. Louis to interview an important client in regard to a case then pending in the Missouri courts. Later the head of his firm received this telegram from St. Louis:

"Have forgotten name of client. Please wire at once."

This was the reply sent from New York:

"Client's name Jenkins. Your name, Smith."

She entered the grocery store with a bag of marmalade in her hand and fire in her eye. "See here," she said to the clerk, "I bought this stuff because the card in your window says it's an excellent substitute for butter."

"Yes, ma'am, so it is."

"Well, it's a grand substitute, I must say. I tried for a bit of fish with it this morning, and the taste was so awful I had to throw the fish all away." Boston Transcript.

My Digestion Is Now Good

And I Feel Like a Young Man Since Using Dr. Chase's Kidney-Liver Pills.

Prof. A. T. Smith.

What a horrible condition the digestive system gets into when the liver becomes sluggish and the bowels constipated. The poisonous waste matter is thrown back into the blood stream and finds its way into all parts of the body, causing pains and aches and feelings of fatigue and misery.

It is wonderful how quickly Dr. Chase's Kidney-Liver Pills sweep the poisons from the digestive system and enable the organs of digestion to resume their natural functions.

Prof. A. T. Smith, 1 Mt. Charles street, Montreal, and formerly of Boston, Mass., writes: "I suffered for many years from bad digestion, constipation and horrible backaches. I have been treated by many doctors without any results. One day a friend in Boston advised me to use Dr. Chase's Kidney-Liver Pills. After using two boxes I noticed great improvement and after the fourth box I was completely cured. My digestion is good. I never feel any pain in the back. My head is clear and I feel like a young man. I think Dr. Chase's Kidney-Liver Pills are one of the best medicines on earth."

IN THE CHURCHES

Methodist Missions, Rev. Mr. Marshall Resigns

Brantford, Ont., Oct. 8.—There was intense interest in this morning's session of the Methodist board of missions, when Rev. George J. Bond, president, presented a resolution emanating from the foreign mission committee that was to go forth as an appeal to the church relative to the inadequacy of the income to meet the present situation.

The board, reads the resolution, "cannot extend its work either at home or abroad. Its operations in both China and Japan are hampered, and seriously affected. It will be compelled to decide that not a single additional man can be sent to either of these strategic centres during the year."

The resolution spoke of the words re-employment and retreat as unworthy of the church, and made a ringing appeal for greater concentration and liberality.

The board gave hearty approval to the proposition for the appointment of three new mission superintendents, one for all India, one for Siam, and one for the northern Ontario and Quebec districts. It also appointed the Rev. Dr. Bond, superintendent of missions for Newfoundland.

The resignation of the Rev. Thomas Marshall, superintendent of the missions in the maritime provinces, was accepted, and his successor will be appointed at once.

Y. M. C. A. PLANS

Last night the physical department of the Y. M. C. A. arranged the classes for the winter season. The young men's class will meet on Monday, Wednesday and Friday at 8.15 o'clock. The business men's class will meet Monday, Wednesday and Friday at 8 o'clock; the working boys, Tuesday and Thursday at 7.30, and school boys Tuesday and Thursday at 4 o'clock, and Saturdays at 9.30. New supplies and apparatus were authorized for the gymnasium. A meeting of the educational department was also held, and the schedule of the night classes was drawn up for the coming season. It embraces the following subjects: shorthand, book-keeping, French, German, bookbinding, mechanical drawing and generally a knowledge of the fundamentals. F. A. Dykeman presided at the meeting of the physical department, and G. E. Barbour at the meeting of the educational committee.

A FAVORITE'S RETURN.

Many of St. John's citizens who a number of years ago enjoyed the performance of H. Price Webber will be interested in learning that he and his company will appear at the Opera House next Saturday evening. Mr. Webber is the most popular man in the theatre of the profession, and he enjoys the distinction of being the oldest actor now appearing before the public.

A FACT.

The older we grow, the less we know, and the madder we get. If you tell us so.
