Sir,-

I beg to report that on the 30th of March I inspected the Mohawk Institute, ^{there} ~~that~~ they were no complaints of any kind, the children appeared contented and healthy Mrs. Boyce also reports a large waiting list. Three of the children are attending the Brantford Collegiate Institute and one at the Business College, There are four children preparing for the entrance examination.

A request was made that the school be furnished with a map of Europe a new edition has recently been published.
