CHATHAM WON FROM U.N.B. IN LAST NIGHT'S HOCKEY

Scored Winning Goal in Overtime Play—
U. N. B. Had the Lead in First Half.

CHATHAM, N. B., Feb. 4.—Two five minute periods over time were necessary last night in the game between Chatham and U. N. B. to decide victory. Play was red hot from the start, and the game the fastest here in years. The U. N. B. outplayed Chatham at the start and, helped by penalties on Chatham, Gibson and Pency rolled up three tallies at the start. Then Curry scored for Chatham and at half time the score was 3 to 2 in the college's favor. The next half was even, neither and when Bernier tied the score at 4 to 4 one minute before the close of the game, the crowd went wild. After five minutes over time the teams again changed ends. In four minutes McLean shot Chatham's winning goal. The line up was:

U. N. B. (4)	Goal.	Chatham (6)
Jones (Capt.)	Goal.	Watters
Spicer	Point.	Walding
Babbitt	Cover.	Synott (Capt.)
Feeney	Goal.	Flood
Gibson	Rover.	Bernier
Stephenson	Wings.	McKay
McKay	Wings.	Curry

Mayor Snowball referred to the satisfaction of both teams.
The marriage of Miss Katherine Allen, of Chatham, and Jacob Layton, merchant, of Blackville, took place this morning at the pro-cathedral.

BOSTON SEEKS A FOOD INVESTIGATION

Pittsburg Detectives are After Evidence

Washington Report Shows Upward Trend of Food Prices During Last Ten Years.

BOSTON, Mass., Feb. 4.—The Boston meat society, which is leading the agitation here against high prices of food products, is making every effort to bring about an official investigation. In addition to requesting action by District Attorney Scullis of Suffolk County, the secretary of the club, William R. Scharton, today wrote to United States Attorney General Wickersham in Washington, asking him to instruct Asa P. French, United States District Attorney for this district, to convene the federal grand jury.

PITTSBURGH, Pa., Feb. 4.—Spurred by hundreds of complaints against high prices for food products, William A. Blackley, District Attorney of Allegheny County, sent out the entire force of twenty county detectives today to gather evidence of illegal conspiracies to hoard food-stuffs and boost prices. Any evidence available will be placed in the hands of United States Attorney John H. Jordan to be presented to the federal grand jury.

NEW YORK, Feb. 4.—That there has been a very general increase in wholesale and retail prices of food between the years 1890 and 1908, is indicated by a report sent to the Senate today by the Department of Commerce and Labor in response to a resolution introduced by Senator Crawford, of South Dakota, asking about the trend of prices. For purpose of comparison the prices in 1890 are used as normal. The percentages of increase were about as follows:

Bread—Wholesale 25.1; retail 4.9.
Butter—Wholesale 24.9; creamery extra 27.5; dairy 24.9; retail 26.9; no quality indicated.
Cheese—Wholesale 23.9; retail 20.2.
Coffee—Wholesale 3.9; retail 5.0.
Eggs, new laid, wholesale 29.9; retail 32.2.
Wheat four—Wholesale, spring 4.9; winter 2.8; retail 24.4; no quality indicated.
Lard—Wholesale 5.3; retail 13.1.
Beef—Wholesale, fresh, 11.8; retail, fresh, 14.9.
Pork—Mutton—Wholesale 13.4; retail 28.5.
Bacon—Wholesale, 4.5; retail 23.9.
Ham—Wholesale 3.0; retail 13.1.
Milk—Wholesale 3.0; retail 13.1.
Potatoes—Wholesale 7.0; retail 25.5.
The report shows that prices for sugar, spice and soda crackers have been slightly reduced.

HIS DAUGHTER KNEW THE RIGHT REMEDY

To Cure Kidney Trouble

The United States is all right, you know, but Uncle Sam's doctors have not found a cure for serious Kidney Trouble. When sick folk down there want to get well, they send to Canada for Gil Pills.

At least that is the way Mr. H. S. Ball of Oxford, Ohio, was cured of a bad case of Kidney Disease.

Mr. Ball took the usual remedies prescribed by the doctors, and wore plasters, and was rubbed with liniment—but steadily grew worse. In a letter to his daughter, who lived in Canada, he wrote of his serious condition. His daughter immediately sent him two boxes of Gil Pills, which he had found the right remedy at last.

"I find enclosed one for which please send me two boxes of Gil Pills. My daughter sent me two boxes and I find I find lots of men down here in no same fix that I was in, and I shall surely recommend Gil Pills to everybody."

H. S. BALL.

Gil Pills are a product that every Canadian may take pride in, and one that thousands endorse. They are made by the largest wholesale drug house in Canada, who fully guarantee every box. In fact, Gil Pills are sold with a positive guarantee. If after taking Gil Pills according to directions, you can honestly say that they have not done you good, simply return the empty boxes to your dealer and your money will be promptly refunded.

For Kidney Trouble, for Irritated and Inflamed Bladder, for Pain in the Back, for Constipation and Biliousness which usually accompany Kidney and Bladder troubles—Gil Pills are a certain and speedy cure. 50c. a box—4 for \$2.50. Sample free if you write National Drug & Chem. Co., Dept. R. 3, Toronto.

GLOVER WAS ON GOOD TERMS WITH HIS WIFE

CAMBRIDGE, Mass., Feb. 4.—Two lawyers made strenuous efforts today to obtain from S. D. Elmore, a brother barrister and executor of the will of Clarence Glover, the murder Walter Burdett, some evidence that would throw more light on the murder and at the same time substantiate the claims of their clients that Glover was innocently and wrongly convicted. It was Mr. Elmore's second day on the facts and the circumstances of the case, the servant girl accused of the crime.

Mr. Elmore declared that Glover's relations with his wife were extremely agreeable, and that he was always solicitous for her welfare. Mr. Elmore was taken to the district court for his appearance in the district court. He was taken to the district court for his appearance in the district court. ENGLISH RUGBY WORSE THAN AMERICAN GAME

Answer of College Experts to Critics—
Must Modify Their Own Game

However.

NEW YORK, Feb. 4.—After being in session from 10 o'clock this morning until about midnight, the intercollegiate football rules committee adjourned until tomorrow without making any definite recommendations as to modifying the game. But it was the general opinion of the committee that the game as played at present, does tend to expose the players to too great likelihood of danger and this led to a discussion of the following question:

"What are the sources of danger to the player in the present game of football?"

This subject was threshed out during the day and night sessions with a view to laying the ground for changes to be voted on before final adjournment. All agreed that if football is to be preserved, some of the present elements of danger must be eliminated.

Parke H. Davis, the Princeton representative, said the impression in the minds of some persons that English rugby is a more gentle game than the game now in vogue in the United States, is erroneous. To back up his assertion, he said that in the game last fall between Oxford and Cambridge, the captain of the Oxford team was knocked out before twelve minutes of play had elapsed. The Oxford team was suffering from a broken collar-bone and the leader of the Oxford forwards sustained a broken cartilage. On the Cambridge team one player's leg was broken and two collar-bones were broken.

"Don't let anyone tell you that Rugby is a gentle game," said Davis. "I know, for I played it for ten years." It is likely therefore that the advocates of English rugby will be sorely disappointed because indications are that the substitution of that game will not even be discussed.

Eczema Must Yield to THE WONDERFULLY SOOTHING, HEALING INFLUENCE OF DR. CHASE'S OINTMENT

There is one thing you can depend on Dr. Chase's Ointment to do every time, and that is to cure eczema. There is no more severe test to which an ointment can be put, and because Dr. Chase's ointment triumphed over eczema it has become the standard Ointment.

When another ointment is praised it is said to be as good as Dr. Chase's. And this illustrates the high position held by this preparation.

Mrs. Oscar Vancott, St. Antonio, Sask., writes:—I have found Dr. Chase's Ointment to be a permanent cure for eczema and other skin diseases. One while I was so much troubled with running, yellow sores all over my head and around the ears. Many sores were cured by the use of Dr. Chase's Ointment. It has become a mass of scars and he suffered agony until. He became weary of it would not eat, and we thought we would lose him.

"Providentially we heard of Dr. Chase's Ointment and it soon thoroughly cured him. He is seven years old now and strong and well. An older son who had been troubled with eczema and was cured of it by Dr. Chase's Ointment and we hope more people will learn about it so that their poor little ones may be saved from suffering."

Do not be satisfied with the experience of others, but put Dr. Chase's Ointment to the test when occasion arises. Try it for chafing and irritation of the skin, for chapped and cracked hands, for chilblains and frost bites, for sores and burns. It is the delightfully soothing and healing. 40 cents a box all dealers; or Edmonson, Bates and Co., Toronto. Write for free copy of Dr. Chase's Recipe.

SOME APPLY FOR AID AND OTHERS COMMIT SUICIDE

NEW YORK, Feb. 5.—Effects of the increased cost of living upon the working classes are shown in the greater number of applications for city aid. Figures made public today show that during the last twelve months more than 60,000 persons sought relief from the charity department, an increase of more than 80 per cent in five years.

From 112 in 1906 the daily average has risen in three years to 281. But suicides have increased nearly 50 per cent from 1904 to 1909.

TROUBLE PROMISED BY GRETANS IS AVERTED

PARIS, Feb. 5.—Foreign Minister Pichon today announced that the four protecting powers, Great Britain, France, Russia and Italy had agreed to make representations to the executive committee of Crete. These with the declarations received from the Greek and Turkish governments assure the avertance of complications which would have arisen had the Cretans planned to send delegates to the forthcoming sessions of the National Assembly at Athens.

INSURGENTS ROUTED IN DESPERATE BATTLE

One Hundred Killed and Many Taken Prisoners

In Spte of British Warning Rebel Gunboat Bombed Graytown.

MANAGUA, Feb. 4.—Details received here tonight of a fight at Santo Tomas show that the insurgents lost one hundred killed in the fighting that continued until dark.

Santo Tomas is 15 miles northeast of Ascaraga and about ten miles south of La Libertad. There was an artillery duel from the heights during which one machine gun of the revolutionists was disabled and much of their equipment and many of their beasts of burden were captured by the government forces.

The insurgents had six hundred men engaged in the battle and the government 1,100.

Minister-General Baca tonight gave out a despatch which he had received from General Vasquez, announcing the defeat of the insurgents at Santo Tomas. The revolutionists were under the command of Colonel Blandon.

The battle began at daylight Thursday and lasted five hours, when the insurgents retired in disorder, abandoning their arms, ammunition and wounded. Colonel Blandon was killed in the engagement and the insurgents otherwise sustained heavy losses. The government troops took many prisoners. General Vasquez personally commanded the forces.

This victory was a continuation of the last Garitas engagement though the dates differed. The two places are only three miles apart.

On receipt of the news tonight, the population of Managua celebrated the victory by firing cannon and burning fireworks.

MANAGUA, Nicaragua, Feb. 4.—The insurgent gunboat Omotepe appeared off Graytown Thursday and "bombed" the city for twenty minutes. Nine houses were set on fire by the shells from the gunboat. The shore batteries replied vigorously to the onslaught and succeeded in disabling the Omotepe, which was forced to retire.

The gunboat Omotepe with the gunboats Pioneer and Blanca sailed last Monday from Bluefields destined for a point in the north of Graytown where 700 troops of the government were reported to be entrenched. General Baca and the provincial troops were on board the gunboats, which, prior to the attack, had taken ammunition and tested their guns.

The United States cruiser Des Moines sailed for Graytown the following morning.

Recently Captain Theiler, of the Bark, which sailed from Bluefields, made a declaration that there must be no fighting at Graytown where there are large British interests and where the British consul, Mr. Bingham, is generally reported to be connected with certain enterprises in which the British are interested. It is said that he requested that a warship be sent to Graytown and that the appearance of the Scyllia followed.

Captain Theiler requested Captain Shipley, of the United States cruiser Des Moines to attach his signature to the order forbidding fighting at Graytown, but the American officer did not comply. The belief was held at Graytown that Capt. Shipley received instructions from Washington not to have anything to do with the order.

Graytown lies on the coast south of Managua and is the principal seaport of the Republic. Its trade consists mainly of hides, bananas, coconuts, rubber, mahogany and tortoise shell. The harbor of Graytown once was the best in Central America. The town has a population of about 2,000. Most of the property of the town is owned by British subjects, many of them negroes from Jamaica.

TO SAVE TROUBLE

When the housewife is preparing home made dishes with cold meat which has been left over from a party, give a new relish to the dish by adding various kinds of spices and flavourings. How refreshing and appetizing a failure! Just a little too much pepper and the dish is too hot, or a slight error in the mixture may result in a dish of flavouring all made-up dishes, soups, etc. It has a bottle of the real H. P. Sauce at hand for the express purpose of enriching soups and gravies.

In each bottle there is a delicious relish of the choicest Oriental fruits and spices, and pure malt vinegar; it is not beyond the mark to say that a bottle of H. P. is a great help.

Just a spoonful added—there's all the success of the dish is assured. What trouble it saves! No wonder the best housewives always keep a bottle of H. P. Sauce handy. It is useful in so many ways.

Just a few drops in the soup, or with hot or cold meat, fish, or even bread and cheese, it is delicious and gives quite a new enjoyment to the meal.

CHILDREN'S CARNIVAL AT THE QUEBENS

The tickets for the sale for the children's carnival. This will be the winter's big event for the little ones, and judged generally elaborate preparations under way, it will be the most charming children's affair in St. John many years. The admission has been placed at a very moderate figure, so the children are anxious to have as many relatives and friends as possible can do so to be present.

His Worship the Mayor and Mrs. Bullock, and the Mayor's family, will be the guests of the children.

The Monday Night Club will award the prizes—ten dollars in gold for the most attractive costume; four prizes in all.

The carnival will be from 4 to 6 Wednesday afternoon next at the Queen's Hotel. Punter particulars appear in the advertising columns.

ST. JOSEPHS WITHIN TWO POINTS OF THE LEADERS

Several Records Smashed in Last Night's Game—One Game by Default

In the Intersociety Bowling League last evening a double header was staged. The St. Josephs first defeated the A. O. H., taking three points out of four. They then were to have clashed with the Holy Trinity team, but the latter failed to put in an appearance, and the game went by default. In all the St. Josephs boys captured seven points last evening. The first match was well bowled, especially by the St. Josephs, and was productive of some record breaking. Hurley smashed the single string record by scoring 108, and also the three string record with a score of 84. The St. Josephs team also carried off honors in breaking the record in the single string total. They captured 473 points, the former record of 468 being held by the St. Peters. As a result of last evening's matches the St. Josephs have climbed to second place in the league, being but two points behind the C. M. B. A. boys, who are leading the league. The St. Josephs have of late been doing excellent bowling, smashing records every once in a while and it would not be a great surprise to see them at the head of the league within a short time.

DOUBLE TRAGEDY ENDS LIVES OF LOVERS

NEW YORK, N. Y., Feb. 4.—Ethel Bernard, a pretty young woman of 23 years, was found lying face downward on the floor of her well-furnished apartment in West Ninety-eighth street tonight, her cheeks smeared with blood. She had been shot by William T. Fisher, a clerk, who was found lying on a bed in an adjoining chamber, a revolver in his hand, a gaping wound in his forehead and red stains on the white linen. The table was set for dinner. The furniture was in no disorder. Nobody knows the motive. Ethel expired in a few moments, and murder and suicide sums the case up in the records of the police.

The flat, which was handsomely furnished in a well-to-do, uptown residential district, had been rented by Fisher, who lived there, ostensibly with his wife.

CLERICAL BAR TENDER AGAINST PROHIBITION.

ST. LOUIS, Mo., Feb. 4.—The conversion of Samuel L. Shank, mayor of St. Louis, to the model license doctrine from his theories of high license was announced at the closing session of the convention of the Model License League this afternoon.

Mayor Shank had prepared an address upon high license as a solution of the saloon problem, but when called on, announced he had been converted to the theory of the league.

The Rev. Wallace M. Short of Kansas City, who is also a member of the Boarders' Union, denounced prohibition.
