BLACKWOOD'S MAGAZINE AND THE BRITISH REVIEWS.

L. SCOTT & CO, NEW YORK, continue to publish the following leading British Periodicals; viz: 1. The London Quarterly (Conservative). 2. The Edinburgh Review (Whig). 3. The North British Review (Free Church). 4. The Westminster Review (Liberal). 5. Blackwood's Edinburgh Magazine (Tory).

The present critical state of European affairs will render these publications unusually interesting for the forthcoming year. They will occupy a middle ground between the hastily written news items, crude speculations, and flying rumors of the daily Journal, and the ponderous Tome of the future historian, written after the living interest and the excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look to the only feally intelligible and reliable history of current events, and as such, in addition to their well established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

Early Copies.

The receipt of Advance Sheets from the British publishers gives additional value to these Reports, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.

Table with 2 columns: Terms, Per ann. For any one of the four Reviews, \$3 00. For any two of the four Reviews, 5 00. For any three of the four Reviews, 7 00. For all four of the Reviews, 8 00. Money current in the State where issued will be received at par.

Clubbing. A discount of twenty-five per cent. from the above prices will be allowed to CLUBS, ordering four or more copies of any one or more of the above works. Thus: Four copies of Blackwood, or one of Review, will be sent to one address for \$9; four copies of the four Reviews and Blackwood for \$30; and so on.
