The unprecedented success of the BUCKEYE MACHINE, is a convincing proof of its excellence. Is has never failed wherever introduced to take precedence over all other machines.

The Farmer who contemplates purchasing a MOWER & REAPER for the Harvest of 1861, will, in selecting the Buckeye,

recure the only machine which combines all the requisites of a perfect MOWER & REAPER, including Strength, durability, simplicity, lightness of Draft, freedom from side draft, portability, convenience, perfect adaptation to uneven surface, ease in backing, safety and comfort to the Driver, ease to the Team, and capability of doing Good work on any description of Land, and in any variety or condition of Grass or Grain.
