

10-FURROW COCKSHUTT ENGINE GANG ON VAN HORN FARM, EAST SELKIRK

The Cockshutt Engine Gang

"Made Famous By Dependability"

The market for raw materials is open for all alike, but **Judgment, Ability and Knowledge**, based upon years of experience and research cannot be **bought** at any price.

And that is what you get when you buy an **Engine Gang** that bears the **COCKSHUTT** name,---a **small** thing to look for, a **big** thing to find!

Thousands of farmers believe in that name with more conviction than ever before, because **Cockshutt Engine Gangs** have made good so emphatically that our **ideal** has become **the ideal of the industry**. The immense superiority of the **Cockshutt** lies in their absolute mechanical perfection and reliability---that quality which **actual use alone** can reveal at its true value.

Get the **Cockshutt**, and get **THE MOST FOR YOUR MONEY**. Consider carefully the questions involved in the purchase of an **Engine Gang**, which must either give **years of service and satisfaction**, or prove a **worthless investment**.

Write for Catalogue. It's worth any man's time. Filled from cover to cover with down-right, business-like, dollar-and-cents facts.

Buy from the local dealer who stakes his reputation on **Cockshutt** quality.
