It is but justice to refer, in closing this summary, to the ability and value of the services rendered by those gentlemen who are officially connected with the educational department of our Church. When Westmister lost Mr. Scott and Mr. Taylor, many were the fears lest the places of those eminent men could never be adequately integrated.

**Bishop Tache stronger than the facts of actual population is found to be only 146,536. In twelve years 22,248 have been added to the population, being 18 per cent. during that period, or 1½ per cent. per annum. In Canada the rate of increase is from 35 to 40 per cent. done, as well as upon what he has not said and done. OTTAWA, May 7.—The Premier's illness is caused by Biliary calculus. He suffers intense pain, but slept during a portion of the night and a little while this morning, under the influ-ence of opiates. His condition is known to be critical, and his recovery, if at all, will be slow. Doctors Grant and Brown have issued a bulletin stating that though somewhat easier he was unable yet to be removed to his home. No person but his immediate attendents are permitted to see him. It is quite certain he can in time to resume his parliamentary duties be-fore prorogation. His illness has cast a gloom over the Capital and the most hearty sympathy
