

Head Dress.

"His Excellency is pleased to leave the description of the future Head Dress to be decided by the Force themselves: but, with a view to uniformity at each Station, it must be so arranged that each Arm of the service will always appear on Parade with the same style of Head Dress—the Highland Companies however will continue to wear such Head Dress as may be considered most suitable to themselves.

"In thus prescribing a Uniform for the Force His Excellency earnestly desires to impress upon the Commanding Officers and all others concerned the expediency of keeping the expense of the uniform of the Volunteer Corps as low as possible—His Excellency is satisfied that the most simple uniform will be the most serviceable, and that the several Corps will be maintained in a more efficient state by diminishing the cost of the Soldier's outfit."
