

## Electric Service

Means comfort, convenience, economy, and safety.

The home that is completely equipped with electrical devices is a happy one.

All the drudgery of housekeeping is eliminated by electricity.

You can wash, iron, sew, sweep, cook, keep cool in summer and warm in winter, by means of electrical apparatus designed especially to relieve you of unnecessary and fatiguing labor.

At our showrooms all these devices are ready for your inspection. Competent demonstrators will operate and explain them for you.

## Patriotic Subscriptions

The Courier is a good record of the Great War. Many  
people are filing it. The thing to do is to file it now. Be  
sure you have your copy regularly—direct, or through a  
newsdealer.

Many people are sending their Couriers to the boys at  
the front. The Courier is a good "letter from home." Send  
more Couriers and still more. The Courier will be sent  
to soldier boys without additional postal charges, if friends  
will claim that privilege when subscribing for them.
