Mr. Lawrence Hunt,
50 Broadway,
New York, N. Y.

Dear Mr. Hunt:

I am very pleased to have your kind letter of 15th. Yes, it will be delightful for me to have dinner with you on July 10th. Do not know whether Mr. Coleman will be down until the next morning or not, but the Newcomen Society in New York will probably have advice.

In Canada the Roman Catholic vote went entirely Liberal. I think I mentioned that in my previous letter. The other major factor in the campaign was a gentleman called Winston Churchill. His repeated encomiums on Mr. King and his Government made the major attack, which otherwise was so powerful and unanswerable, utterly futile.

I am enclosing an address delivered by the Hon. Earl Rowe, which I think you will enjoy.

Yours sincerely,

AM/E.
