Dear Mr. Awrey,

Would you be so kind as to again take up a small package of letter mail to Weenusk for us?

Your kind assistance in this regard in the past has been very helpful to us in our business and if you can extend the courtesy again, we will forward a small package of letter mail for your address before you leave on your annual aeroplane visit to the north.

At Moose Factory and Moosonee we are all "het up" over the forthcoming visit of his Excellency the Governor General and Countess Bessborough. This, ofcourse, will be quite a gala day with us.

With kind regards,

Yours very truly,

L. W. Anderson
