Sir,

In reply to your letter of the 25th ultimo, on the subject of the proposed transfer of all the cattle at the Calgary Industrial School, with the exception of the milch cows, I beg to say that you are correct in your assumption that the total amount of the valuation of the ~~amix~~ animals transferred is to be credited to the school and charged to the cattle account of the Agency.

Your obedient servant.

Secretary.

Hon. D. Laird,
Indian Commissioner,
