Note.—This Declaration must be taken before a Commissioner or Justice of the Peace.

MANUFACTURERS PLEASE NOTE.

This skeleton draft of declaration is in line with the modern views and requirements of the trade and will be convenient as a sample or form of what the trade think is necessary.

Such changes as are necessary in the reading matter must be governed by the conditions met with and the requirements of each manufacturer.

In the main the declaration is broad enough to include most of the dishonest methods sometimes practiced and with which all honest firms have to contend.

The intention is that the declaration can be typewritten or printed as the occasion requires.

Kindly keep this copy for reference.
