

**PACIFIC COUNCIL, N. T. OF T., NO. 4.**

**Vancouver, B. C., September 18th, 1908.**

The Royal Templars of Temperance of Vancouver wish to place themselves on record as being heartily in sympathy with the movement to retain the old Court House square and building for the Provincial enlargement of your work, as we feel it would be one of the best incentives for advancement that the cause of art, history and scientific research in British Columbia could have.

Again assuring you of our hearty support, we are,

Faithfully yours,

M. T. BLACKWELL, S. C.

C. PEACOCK, Rec. Secy.
