

	PAGE
General statement.....	167
Fleck quoted.....	167
Parr and Wheeler quoted.....	169
Parr and Hamilton ".....	170
White quoted.....	171
Porter, de Hart and Billington experiments on lignites, etc.....	173
Summary and conclusions.....	182

LIST OF TABLES

No.	I.	Composition of air in mine.....	Haldane, and Meachem...	20
"	II.	" " " " " " " " " " " "	" " " " " " " " " "	20
"	III.	" of gases in a mine	" Burrell...	21
"	IV.	" " " " " " " " " " " "	" " " " " " " " " "	21
"	V.	Sizing tests showing disintegration of nut coal	Parr, and Wheeler...	33
"	VI.	Sizing tests showing disintegration of screenings.....	" " " " " " " " " "	33
"	VII.	Composition of Williamson county coal.....	Parr, and Kressman ..	38
"	VIII.	Sulphur in " " " " " " " " " "	" " " " " " " " " "	38
"	IX.	Time required to ignite heated coals.....	Fayol...	53
"	X.	Absorption of oxygen by coal in closed vessel.....	Haldane, and Meachem...	62
"	XI.	Composition of residual gases in ditto....	" " " " " " " " " "	63
"	XII.	Absorption of oxygen by fresh coal....	" " " " " " " " " "	64
"	XIII.	" " " by old coal.....	" " " " " " " " " "	64
"	XIV.	" " " at reduced pressures	" " " " " " " " " "	65
"	XV.	List of coals tested.....	Porter, and Ovtiz...	66
"	XVI.	Absorption of oxygen by four different coals...	" " " " " " " " " "	67
"	XVII.	" " " " " " " " " " " "	" " " " " " " " " "	68
"	XVIII.	" " " by eight Illinois coals...	Parr, and Barker...	69
"	XIX.	Losses of calorific power in storage, Vermilion county nut coal.....	Parr, and Wheeler...	71
"	XX.	Losses of calorific power in storage, Williamson county nut coal.....	" " " " " " " " " "	73
"	XXI.	Losses of calorific power in storage, Sangamon county nut coal.....	" " " " " " " " " "	75
"	XXII.	Losses of calorific power in storage, Vermilion county screenings	" " " " " " " " " "	77
"	XXIII.	Losses of calorific power in storage, Williamson county screenings.....	" " " " " " " " " "	79
"	XXIV.	Losses of calorific power in storage, Sangamon county screenings.....	" " " " " " " " " "	81
"	XXV.	Losses of calorific power in storage, summary of above tables.....	" " " " " " " " " "	83
"	XXVI.	Losses of calorific power in storage, Christian county screenings.....	" " " " " " " " " "	84
"	XXVII.	Losses of calorific power in storage, Fulton county screenings.....	" " " " " " " " " "	84
"	XXVIII.	Losses of calorific power in storage, Vermilion county screenings.....	" " " " " " " " " "	86
"	XXIXA.	Absorption of oxygen, hard coal 200-mesh at 30°.	Winnmill...	88
"	XXIXB.	" " " " " " " " " " " "	" " " " " " " " " "	89
"	XXX.	" " " soft coal " " " " " "	" " " " " " " " " "	90
