BRIDGES

Sealed tenders are hereby requested on behalf of the Corporation of the County of Hastings, up to

Friday noon, the 12th June, 1903,

with plans and specifications, for a steel overhead Truss Highway Bridge to be erected over the Scoot river at Bridgewater, about five miles north of Tweed.

The bridge to be one span one hundred feet long from pin to pin, with roadway sixteen feet wide in the clear, steel joist and 5 inch cedar covering with wheel and hub-guards.

The bridge to carry a moving load of 125 pounds, at least, to each square foot of floor area.

The abutments for this bridge will be ready by the 31st October, 1903, and the bridge must be completed thereon by the 15th November following.

Payment made when the bridge is completed and accepted.

Also separate tenders are desired, at the same time, with plan and specifications, for a low-truss Steel Highway Bridge to be erected in Madoc Village.

This bridge to be one span forty-three feet long with roadway 16 feet wide in the clear, steel joist, with wheel and hub guards and a side-walk 4 1/2 feet wide on the west side of the bridge, outside of truss properly constructed.

This bridge to carry a moving load of 125 pounds to each square foot of floor area.

The abutments for this bridge will be ready by the 15th day of October, 1903, and the bridge must be finished by the first day of November following.

If a tender for this Madoc bridge state price with 5 inch cedar covering; and also separate price for the bridge finished with concrete floor or covering in the place of cedar covering.

Payment made when the bridge is accepted. The lowest or any tender not necessarily accepted. Address,

WM. R. AYLWORTH,
County Clerk,
Belleville, Ont.

June 15th, 1903.

TENDERS

—FOR—

SEWERS AND WATER WORKS

Sealed tenders, addressed to Chas. McMillan, City Clerk, Calgary, and endorsed, "Tender for Sewers," will be received up to noon on WEDNESDAY, JUNE 10TH, 1903, for laying about 13,500 lineal feet of Tile Sewers and about 9,000 lineal feet of cast-iron water pipe.

Plans and specifications may be seen at the office of the City Engineer, Calgary. The lowest or any tender not necessarily accepted.

F. W. THOROLD,
City Engineer, Calgary.

JAS. HORNBY,
Chairman Public Works Committee,
Calgary.

Notice to Contractors

Sealed tenders addressed to the undersigned, for the following works, will be received by the council of the Township of Hay, on MONDAY, THE 1ST DAY OF JUNE, 1903, up to one o'clock, p. m.

1. For "Schwalm Drain." Engineer's estimated cost over: \$1,600.00.

2. For cement abutments for Sauble Bridge. Height of abutments about 13 feet. Span of bridge 70 feet.

3. For steel superstructure for Sauble Bridge. Span of bridge 70 feet, width of roadway 14 feet. Plans and specifications, etc., may be seen and all other information obtained at the office of the undersigned or at the office of F. W. Parrancomb, C. E., London, Ont. The bridge is located about 2 miles from Exeter Station.

The lowest or any tender in either case not necessarily accepted.

Zurich, Ont., May 11th, 1903.

FRED HRSS, Sr.,
Township Clerk.

STREET LIGHTING TENDERS

Sealed tenders, addressed to the undersigned, and marked "Tenders for Lighting," will be received at this office until MONDAY, THE FIRST DAY OF JUNE NEXT, for the Street Lighting of the City of Fredericton, N.B., for the term of ten years, from the eleventh day of October, A. D., 1903.

Tenders to be for sixty-two (62) open arc 1200 candle power Electric Lamps, and for additional lamps as required by the City Council, or may be for 1200 candle power enclosed arc lights. (To burn off an alternating circuit).

The service to cover as large an area as is now lighted under existing contract, and lamps to be placed at or near where now situated, and other lamps to be placed, at same rate, when required by the City Council. The complete equipment to be furnished by the tenderer, including poles of the required height.

Tenders to state price per lamp per year for every and all night service. Also for lighting under what is known as the "Moon-light Schedule".

An accepted Bank cheque payable to order of City Treasurer of City of Fredericton, equal to twenty per cent. of the amount of the tender for one year's lighting, must accompany each tender. The cheque will be forfeited if the party tendering decline the contract, or fail to be ready to undertake the lighting at the time above stated, or will be returned in case of non-acceptance of tender.

The City Council does not bind itself to accept the lowest or any tender.

By order of the City Council of the City of Fredericton.

CHAS. W. BECKWITH,
City Clerk.

SEALED TENDERS

Addressed to undersigned, will be received up to 12 o'clock MONDAY, JUNE 1ST, for all trades required in the erection of a residence on Macpherson Ave. Lowest or any tender not necessarily accepted.

F. S. BAKER, Architect,
Mail Building, Toronto, Ont.

TENDERS

Will be received until SATURDAY, JUNE 6TH, for the Masonry, Carpentry and Structural Ironwork of a Y. M. C. A. Building at Paris, Ont. Tenders may be sent to John Penman, Esq., Paris, or to the Architects,

GORDON & HELLIWELL,
Confederation Life Building, Toronto.

No tender necessarily accepted.

Tenders for Electrical Supplies

Sealed tenders, addressed to the Chairman of the Fire, Water and Light Committee, for the hereinafter mentioned electrical supplies, will be received at the office of the undersigned up to 8.30 p. m., on MONDAY, JUNE 8, 1903.

The supplies required are as follows:
One 100 light direct current arc dynamo.
50 direct current enclosed arc lamps with globes complete.

42 lamp hangers.
5 miles No. 6, B. & S. W. P. wire.

Full information will be furnished intending bidders upon application to the City Electrician, Winnipeg.

Each tender must be accompanied by an accepted cheque or cash deposit for an amount equal to 5 per cent. of the amount of the bid, which will be subject to forfeiture in case of failure on the part of the contractor to enter into a written contract if called upon to do so.

The city reserves the right to reject any or all tenders or to accept any bid which appears advantageous to the City of Winnipeg.

C. J. BROWN, City Clerk.

City Clerk's Office,
May 21st, 1903.

TENDERS

—FOR—

WATER METERS

Sealed tenders, addressed to the Chairman of Fire, Water and Light Committee, for the supply of 1000 1/2 inch Water Meters, will be received at the office of the undersigned up to 8.30 p. m. on

MONDAY, JUNE 8th, NEXT.

Specifications and forms of tender may be obtained at the office of H. N. Rutnan, City Engineer, Winnipeg.

Each tender must be accompanied by an accepted cheque or cash deposit for the sum called for in the form of tender supplied, which will be subject to forfeiture in case of failure on the part of the contractor to enter into a written contract if called upon to do so.

The City reserves the right to reject any or all bids or to accept any tender which appears advantageous to the City of Winnipeg.

C. J. BROWN,
City Clerk.

City Clerk's Office, Winnipeg, May 25th, 1903.
