OPPORTUNITY KNOCKS!

The Mutual Life of Canada offers a rare opportunity for men of ability and character who are choosing or changing their life work.

No company with which one might be allied could possibly offer more attractions. It is long-established, yet strictly modern in every part of its organization, and wonderfully prosperous.

We are looking for men, real men, who can produce results. Would an attractive agency opening appeal to you? To the right man we offer a first-class contract. It may be that your present position is entirely congenial. If so, you may have a friend or acquaintance qualified for this work, who would be interested.

It is comparatively easy to write business for a company with a reputation for service, efficiency, stability, up to date policies and liberal dividends—"one of the best companies on the continent." Address—
