FIRST—We make our Staple Goods by HAND at the INDUSTRIAL SCHOOL, and are thus able to produce a much better article than those made by Machinery.

SECONDLY—By making our Goods and selling them ourselves, you get them first hand, hence you have only to pay for the material and one small profit.

THIRDLY—As you buy from the maker his responsibility to you is greater than if he had purchased the goods of another and was selling them again.

If the style and size of the boots does not suit, you can have them made at at trifling additional cost We sell for CASH and cash only to keep strictly to this we cannot send out for approval, all parcels being paid for before they are sent.
