FITS!
CURE OF EPILEPSY OR FALLING FITS
BY HANCE'S EPILEPTIC PILLS
Persons suffering from this distressing malady will find Hance's Epileptic Pills to be the only remedy ever discovered for curing it. The following certificate should be read by all the afflicted; it is in every respect true.
A MOST REMARKABLE CURE.
Temporarily, Lewinworth, Co., Kent, April 2, 1876.
SETH S. HANCE, Dear Sir:—The Epileptic Pills that I received from you last September have accomplished all that you recommended them to do. My son is hearty, stout, and robust; he is in the manner a new boy, being red and ruddy. Before he commenced taking your Pills he was a very pale and delicate looking child, and had Epileptic Fits for about four years, and seeing your Pills advertised in the Christian Instructor, I sent to you and got two boxes of them, and he has not had a fit since he commenced taking them; he has been exposed to all changes of weather in going to school and on the farm, and he has not had a fit nor a symptom of one since he commenced taking your Pills. He learns well at school, and his mind is clear and quick. I feel that you are not sufficiently paid for the service and benefit you have done to us in restoring our child to health. I will cheerfully recommend your Pills to every one I hear of that is afflicted with Epilepsy. Please send me some of your Pills, so that I can send them to any that I hear of that is afflicted in that way.
Respectfully, etc., LEWIS THORNBURG.
Sent to any part of the country by mail, free of postage, on receipt of a remittance. Price one box, \$5; two boxes, \$7. Address: 58TH ST. HANCE, 108 Baltimore St., Baltimore, Md.

NOTICE TO SABBATH SCHOOLS.
We are keeping in stock large supplies of Sabbath School Books, as we find the demand has been constantly gaining, the number of schools patronising the Book Room having greatly increased of late. It will always be our aim to meet the wishes of our Sabbath school purchasers especially, this being one of the important objects for which the Book Room exists. Supplies will be sent at any time, from which selections may be made, and the remaining books returned to us. Owing to the large quantity of such books now passing through our hands, we find it difficult, though extremely careful, to present suitable publications from mingling with this class of stock. It will always gratefully to hear from any who find such books in our collection. We will send substitutes in every instance. may 12
