

THE OPIUM HABIT.

THE MOST OBJECT OF SLAVERIES—IS THERE ANY EMANCIPATOR ?

The New York papers lately published a very pathetic story about a very popular emotional actress. It was to the effect that she had become a confirmed victim of the opium habit, involving an almost total loss of physical and mental powers, and actual destitution.

The story was at once denied by her friends, who say she has suffered simply from nervous prostration, is in no need of pecuniary aid, and is on the way to speedy recovery.

Opium victims are usually hopeless, helpless slaves, mind weakened, lacking energy for any effort toward recovery, rapidly drifting into imbecility and untimely graves.

A peculiar feature is that victims craftily conceal it from their nearest friends. A young lady at school near Philadelphia was recently found to be secretly addicted to it, keeping her "medicine" in a school-room inkstand, and injecting the fluid into her arm with stylographic pen!

In the Chicago Farm, Field and Stockman, September 24, 1887, is this letter signed S. T. O., from Barstow, Ky.: "I missed the paper that had my letter in, so I did not know that you made the request to know what it was I used to break up the morphine habit, until I got a letter from a gentleman asking information. I should have answered sooner. It was Warner's safe cure. I should have given it when I wrote the letter, but it looked too much like an advertisement."

This voluntary statement goes to confirm the claim made by the proprietors of Warner's safe cure, that it is the only remedy in the world which has any decided power over diseases of the kidneys and liver, and that this terrible habit cannot be cured until these organs have first been restored to full health, because they are the ones chiefly affected by this drug.

Editor Wm. A. Bode, of Alton, Ill., was completely cured of the opium habit, acquired by long use in a painful malady, with Warner's safe cure. It cannot be cured at all if the kidneys and liver are diseased.

It is not claimed that there is anything in Warner's safe cure, alone, which will do away with the habit, except that it puts the kidneys and liver in a healthy condition, giving the whole system that strength and tone, without any attempt to throw off the habit, would be vain.

It is because physicians have discovered that no other remedy is so beneficial in restoring health to the liver, kidneys and general system as the one stated, that it has come into general use in connection with the special remedies for the cure of the dreadful opium habit.

One of the worst features of the opium habit is the deadening of mental and moral sensibilities in proportion as it weakens the physical system and the will power.

RELIABLE REMEDY FOR RHEUMATISM.—Procure a bottle of Haysard's Yellow Oil from your medicine dealer, and use according to directions. It cured Ida Johnstone, of Cornell, Ont., of that complaint, and she recommends it as a sure cure. For 25 years it has never failed to give satisfaction.
