IF YOU WANT CASH

For Your Farm, Home or Business

I CAN GET IT. No matter where your property is located or what it is worth.

If I did not have the ability and facilities for promptly disposing of your property at a good price, I could not afford to spend \$25,000 a year in advertising that I can do so. My office is a veritable clearing house for real estate and properties of all kinds and my whole energies are centered on finding people who want cash for their real estate or real estate for their cash. And I Do Find Them. My advertising each month brings me hundreds of enquiries from people who want to buy and sell. In the average business day I sell more properties than many real estate brokers sell in six months. But before I can sell properties I must list them. I want to list yours and Sell It. If you want to sell any kind of real estate in any part of North America, send me a brief description, including your lowest cash price. If you want to buy, tell me your requirements.

Upon receipt of the necessary information, I will write you fully and frankly, stating just what I can do for you, and how, and why I can do it. Please enclose a 2-cent stamp for reply, and address,
