**Canadian Dealers too Often Deceived**

It is of vast importance that every dealer should exercise the greatest caution when buying Paste Stove Polish.

The **QUICKSHINE** has attained such immense popularity that unscrupulous people have gone into stove polish business and are manufacturing polishes that pay them tremendous profits. The materials employed in the composition of these imitation packages are so poor and cheap that the woman who buys them can never get the results she desires, and in this manner, to a certain extent, injures the sale of the good article.

When stove polish is required for domestic use ask your dealer or wholesale grocer for **QUICKSHINE STOVE POLISH**, and accept no substitute in the way of imitation package polishes, or polishes that are two-thirds soap and one-third polishing material.

If your wholesale dealer does not sell **QUICKSHINE**, send direct to us for same, stating the wholesale dealer you wish us to send it through; or if you prefer it sent direct, we will forward same at once. Price per 3-oz. Case, \$2.25.
