Breeders' Notes**WESTERN AYRESHIRE R.O.P.**

Among the list of Ayreshire cows and heifers which have qualified in the Record of Performance test during the months of July and August several Western animals are noticed. In the mature class the department of agriculture of Alberta had a cow, "Burnside Elfrida 2nd," whose record was for 353 days, 10,859 pounds of milk giving 425 pounds of fat testing 3.92 per cent. In the four year old class, "Viola of Grandview," owned by Shannon Bros., Cloverdale, B.C., gave during a 265 day test 8,369 pounds of milk, 326 pounds of fat testing 3.89 per cent. In the two year old class "Fairview Lassie 2nd," belonging to Joseph Thompson, Sardis, B.C., gave in a 336 day test 7,042 pounds of milk, making 316 pounds of fat testing 4.49 per cent; and "Floss 2nd," owned by C. E. Thomas, Lloydminster, Sask., made a very creditable record in a 360 day test, namely, 6,168 pounds of milk, giving 278 pounds of fat testing 4.51 per cent.

GLENCARNOCK STOCK FARMS

From a communication recently received from K. McGregor, The Guide learns that a number of excellent breeding animals have been disposed of during the past month. Amongst others C. H. Richardson, Bowden, Alta., has obtained "Just Pride of Glencarnock," the first prize junior yearling bull at the Winnipeg Industrial Exhibition this year, and two heifers—Chas. L. Barker, Punichy, Sask., purchased eleven grade Angus heifers and with them the good bull "Pride Lad of Roseneath" by "Enig." W. T. Seeman, Theodore, Sask., bought the second prize senior bull calf at Brandon Fair, "Just Jeshurun of Morich," a fine two-year-old heifer by "Golden Gleam," and two Yorkshire boar pigs. R. J. McKenzie, Kirkfield Park, Winnipeg, obtained five of the best animals obtainable for the purpose of establishing a pure bred Aberdeen-Angus herd. The shipment consisted of the prize winning young bull "Prince Felzer of Gwennaur" by "Prince Felzer," first prize two-year-old at the Chicago International last year, and four fine yearling heifers, "Heather Bloom of Glencarnock," "Pure Pride G.," "Glencarnock Bouquet 2nd" and "Glencarnock Elite." There are still some first class breeding animals for disposal of both sexes belonging to the very best blood lines, and while it is quite unnecessary to any more than refer to the unexcelled quality of the Glencarnock stock it might be as well to assure intending purchasers that prices are at all times reasonable.

CLYDESDALES FOR CANADA

The shipment of twenty-six Clydesdales, which left the Clyde on Saturday, August 22, per the S.S. Letitia, of the Donaldson line, may probably be the only shipment to cross the Atlantic this year. They were an exceptionally good lot of horses and mares, and among them were a number of quite outstanding prize animals. Messrs. Graham Bros., Claremont, Ont., had eight head prominent among which was the beautiful yearling "Elma," said to be one of the best fillies that has ever crossed the Atlantic. She won second prize at the Royal Northern Society's show at Aberdeen and the Clydesdale Horse Society's medal. She was got by "Apukwa" out of "Lady Petty" whose dam was "Baron's Pride." James Torrance, Markham, Ont., had three two-year-old stallions, all of good breeding. The Hon. Duncan Marshall, Edmonton, Alta., had three well-bred fillies—a three-year-old and two yearlings. His three-year-old was got by that fine breeding horse "Baron of Burgie," a son of the famed £9,500 horse "Baron of Buchlyvie," and his dam was by the Glasgow champion horse "Gold Mine." She was first at Kirkoswald, Ousby, and Alston in 1911; first at Penrith, Kirkoswald, and champion of Ousby when a yearling; and again first and champion at Ousby as a two-year-old last year. His yearlings are by the Kirkcubright and Durham premium horse "Iron Duke" and "High Tide." They are a pair of nice, well-bred fillies, likely to grow into first rate breeding mares. Messrs. Smith and Richardson, Columbus, Ont., had the largest number, including four stallions and eight fillies. The stallions are all likely to be show horses.
