GRAIN GROWERS

SHIP YOUR GRAIN TO YOC

?

A Question

Why is the number of farmers shipping to the Grain Growers' Grain Company increasing so rapidly? In spite of misrepresentation, strong competition and poor crops the Farmers' Company is passing all previous records. Its business has doubled every year since it started and present progress indicates that it will be doubled again this year.

Why is the Farmers' Company making such steady progress?

If you want full value for your Grain

DUPLICATE SAMPLING AND GRADING DEPARTMENT, G
A mistake in the grade or the dockage of your grain may mean a single car. In Minneapolis duplicate samples are taken from they are taken only from cars consigned to the Grain Co
