FREE TRADE HELPS MANUFACTURERS

GEO. WOLSTENHOLM & SONS, LTD., SHEFFIELD, (CUTLERY MANUFACTURERS)—"This company is able to charge low prices for the quality of goods which they supply because they can purchase their raw material from the cheapest market in the world, wherein no tariff impost makes such material dear, and can obtain labor at comparatively low rates because their workmen can live well and at comparatively small cost."

WM. SMALE, MACCLESFIELD, (SILK MANUFACTURER)—"I am a free trader because under the system of free trade we have cheap food and raw material, etc., which enables us to manufacture cheaper than our foreign competitors and thus compete successfully in neutral markets."
