—Good horse, harness, and delivery wagon for sale on reasonable terms. Apply to R. Keir, baker, Mildmay.

The Warton Echo says:—Last week a farmer brought his lambs to town and sold them for 4c. per pound. He felt it keenly because if he had fed he calculated that he could have got 5 1/2 cents the same as last year. He was asked how much he got 12 years ago for his lambs, and he replied 2 1/2 cents. And here is the cause of any feeling of depression that may strike this country. The times have been so remarkably good for a number of years that one cannot return to old conditions without a kick.

The Ayton Cordage Company, which suspended operations some time ago through lack of funds, is being wound up. The liquidation sale on Wednesday was largely attended. The twine machinery was purchased by the Hoover and Gamble people for a sum in the neighborhood of \$6,500. This is being shipped to Ohio this week. The plant, including the engine, did not reach the reserve bid of \$2,000, and was not sold. The building, which is of cement and iron, cost about \$8,000.

Just Where The Danger Lies.—In many catarrh snuffs cocaine is the largely used ingredient; in consequence the drug habit may be formed. To be really cured of catarrh, to do so quickly, safely and pleasantly, doctors say Catarrhoxone is superior to any other remedy. It heals sore places, stops discharge, prevents hawking, spitting and bad breath—does this by first destroying the cause of the disease. Catarrhoxone is no experiment, it is a tried and proven cure that is guaranteed for bronchial, throat nose and lung catarrh. Two sizes, 25c and \$1.00 at all dealers.

Mr. Hodgetts, of the Fruit Growers' Association of Ontario, in calling attention to the Provincial Horticultural exhibition in Toronto, Nov. 12 to 16, says: "Owing to the scarcity of apples both in Europe and the United States, many buyers will be in the country this year looking after our apple orchards. We are extremely anxious to impress upon them the splendid quality of the apple as raised in Ontario, and with this end in view wish to make the county display more than ever a leading feature of the Show. To do this it will be necessary for the growers in every county to take up the matter in earnest, and get together a display which will do credit to their own county."

Pain anywhere, pain in the head, painful periods, Neuralgia, toothache, all pains can be promptly stopped by a thoroughly safe little Pink Candy Tablet, known by Druggists everywhere as Dr. Shoop's Headache Tablets. System Requires Frequent Cleansing—Not only outside but inside as well, your body must be frequently cleaned. Otherwise it becomes loaded with wastes that clog up the wheels of health. Much better to act in time. Use Dr. Hamilton's Pills; they strengthen and regulate the bowels, assist digestion, enrich the blood and thereby fortify the nerves and lay the foundation of lasting good health. Dr. Hamilton's Pills bring vim and vitality so much sought for to-day; they infuse a feeling of freshness and spirit in those who have been ailing for years. Really no medicine so potent. Price 25c at all dealers.

Our local sports who have been in pursuit of the wily partridge through the woods hard by, say that the rabbits this year are badly diseased. They are covered, these nimrod say, with great lumps on their bodies which when opened, emit a yellowish pusy matter. To be sure, the shooting of this game is not permitted until the 1st of October, and how these local hunters can give such an accurate account of what appears to be a contagion is a matter of much conjecture.—Ayton Advance.

Every column in a newspaper contains from 10,000 to 20,000 distinct pieces of metal, the displacement of any of which causes a blunder or typographical error. Yet some people lay claim to a phenomenally brilliant mind if they can discover an error in a newspaper.

Lord Russell, a famous jurist once went to Scotland to help the Liberals in a campaign. He purposely began his speech with a few sentences of bad Scotch, and then when the confusion caused by the blunder had subsided, he said: "Gentlemen, I do not speak Scotch, but I vote Scotch and I often drink Scotch." He was greeted with tremendous applause. When Russell was a young man he was sitting in a court listening to a trial for bigamy. A friend leaned across to him and asked, "Russell what is the extreme penalty for bigamy?" "Two mothers-in-law," was the reply.

Greatest Female Strengthenener on Earth.—Thousands of women are wan, pallid, rundown and dispirited. What they need is that nourishing tonic Ferrozone. Soon they regain those laughing eyes, bright spirits and rosy cheeks. Ferrozone does this and more as Mrs. L. P. Adrianson of Whitney Pier, C. B., testifies. "My daughter was very much run down and had considerable troubles at times. Often I was at a loss to know what to do. I was advised to give her Ferrozone and I did so. Ferrozone cleared up all the trouble, made my daughter healthy and well. Ferrozone gives good appetite, regulates, strengthens. I consider it a medicine every woman should use regularly if she wants to feel her best." Rebuild with Ferrozone, it is the King of all cures. Price 50c per box at all dealers.

Under the caption, "A Lean Year for Ontario," the Weekly Sun says: "Roughly, we have 9,000,000 acres devoted to the various field crops grown in Ontario. Of this total, about 3,800,000 acres are in hay, and 3,350,000 in oats. Thus well over 50% of the entire acreage given to field cultivation is in these crops, and these two main crops were the poorest in years. Hay will not give over two-thirds of the tonnage per acre this year that has been harvested in recent years, probably not over half. Oats are likely to be nearly 36% below the average yield, and this is equivalent to cutting off 25,000,000 bushels of this one crop also.

Ottawa, Sept. 20.—Statements have reached Ottawa that Hon. Chas. Hyman's health is no better. He is suffering from the most severe nervous breakdown. It is doubtful if he will ever return to London, or ever manage his business if he does.
