**KOLTS BEAT PRINTERS.**  
The Dormitory Kolts came back with a vengeance after the defeat they received at the hands of the hands of the Bankers the other evening and took three straight games from the Expositors in the P. M. C. A. Bowling League. The games were all very evenly contested and the excitement ran high, both teams had their rooters out in full force which created a lot of rivalry. Harry Cobbald was high for the Kolts with 509, while his team mate Geo. Ryley came a close second with 506. George Matthews of the Expositors was high for his team with 578. The following are the scores:

**SPLITS.**  
Someone suggested that the Kolts are eating Hearn for breakfast food. "Cobby" is coming back to form and should be up with the leaders in the second series.

George Matthews is always in the 500 circle.  
The Kolts are going to make a strong bid for the second series.  
The league is developing some very classy bowlers.  
Eddie Pitman of the Printers never knows what it is to be beaten, when his team is behind he is always there with words of encouragement.  
Dave Hepton and Roy Branston are there with the original hook balls.  
The Verity Ploew and the Bankers clash to-night at 8 o'clock.

**In Overtime.**

Toronto, Jan. 17.—Overtime games are becoming a habit with local hockey teams. One week ago Saturday it required twenty minutes of extra play to declare Argonauts as winners over Riversides; on Saturday afternoon St. Andrew's College defeated Pickering College after ten minutes overtime. Then on Saturday night Argonauts won from the 40th Battery by 4 to 3 in ten minutes overtime in an O. H. A. senior fixture. The latter game was attended by four thousand people, the largest crowd of the local season at the Arena. Among those present were many delegates to the convention of

the Bricklayers and Plasterers' International Union.

It was a great game to watch, and the crowd went fairly wild with excitement. Not that the brand of hockey was first class, but when two teams are evenly matched they will attract a crowd any time. There have been many better games of hockey played at the Arena, but few have had such a startling finish. With less than a minute to play of the regular time, McDonald beat Gilbert with a shot from the ice which tied the score. Quite a number had left the arena and a large crowd had vacated their seats; waiting for the final bell, which they expected would declare Argonauts winners, when McDonald scored.

In the first five minutes of overtime, the Battery were the first to score, and the way they were going at this time it appeared as if they would be declared winners. However, Knight, on a beautiful lone rush from end to end, beat James and tied the score. Early in the second five minutes of overtime, Jerry Lalhamme made one of his spectacular lone rushes, and on a backhand lift scored the winning goal. In the last few minutes of play the Battery put all of their players on the forward line and fairly peppered the Argonaut goal, but without success.

**Canadian League Will Undergo No Changes**

Hamilton, Jan. 17.—At an informal meeting of the Canadian League here to-day delegates were present from all of the clubs, but St. Thomas. That city had already expressed its eagerness to continue next season, and the others were of like mind. The circuit will be composed as before of London, St. Thomas, Brantford, Hamilton, Guelph and Ottawa.

Industrial and financial conditions are good and getting better in all the cities of the league. It is expected that the grounds difficulty that has faced the local club will be straightened out soon. The preliminary schedule meeting will be held in Toronto in about four weeks. There will be no further retrenchment in the matter of player and salary limits.

**Another Defeat for the Torontos**

Quebec Jan. 16.—Torontos gave Quebec a pretty run for the decision at the Arena Saturday night, the Bulldogs winning 5 to 3, in a game which proved highly interesting, but which was not productive of the best brand of N.H.A. hockey. During the first period Livingstone's survivors skated Quebec off their feet at times, and Paddy Moran gave a splendid exhibition before the net. The visitors excelled in combination work, while Quebec did not play up to the form which they exhibited here against Wanderers and Canadiens. Malone played fine hockey for Quebec, and so did Moran. Keats was the pick of the losers. The game was in doubt until midway through the last period.

**The Veteran Gilmour Helps Ottawa to Win**

Montreal, Jan. 17.—Ottawa defeated the Canadiens Saturday night by 5 to 2, and outplayed the flying Frenchmen at all stages of the game. The play was fast and interesting from the beginning with brilliant end-to-end rushes by the line of each of the teams. Art Ross put up a clever defence for Ottawa, while Progers defended for the Canadiens.

One of the features of the game was the rejuvenation of Billy Gilmour, who was with Ottawa, and scored one of their five goals. Little rough play was indulged in and Corbeau of the Canadiens was the only one who committed a deliberate foul. He crossed checked Nighbor over the face and the Ottawa player had to retire for a while to recuperate.

**Easy Victory for Sarnia.**

Sarnia, Jan. 16.—Sarnia defeated Ingersoll in an O. H. A. intermediate game on Saturday 18 to 3. Ingersoll worked hard, but the locals were too much for them and most of the play was around the visitors' goal. It was hard to select the stars of the Ingersoll forward line although Gregory and Jackson flashed at times. Repeatedly Moulton and Firth broke away from the defence and combin-

ed. At the other end of the rink Sarnia's defence was impregnable leaving little for Dwyer to do. Hildman showed great speed and good stick work, while Finch, Halpin and Dore were there all the time.

**Ingersoll Lose at London.**

London, Ont., Jan. 17.—On fast ice here last night the London juniors took another game, defeating Ingersoll 4 to 1. There was very close checking and the teams were well-matched. In the first period Waldon had to be taken out on account of illness, and in the last period McBurney's removal so that the game ended with five men aside.

**CLERGYMEN**

**Of the English Church Seek Permission to Fight in the Ranks.**

London, Jan. 17.—(Correspondence)—The petition which a thousand curates in London are presenting to the Bishop of London, brings to a fresh stage the question as to whether clergymen of the Established Church (Episcopalian) should be allowed to enlist. According to the Established rule of the Anglican Church, clergy-

men are forbidden to serve in the fighting forces, except as chaplains or non-combatants. The clergymen signing the petition to the bishop are of military age and would have enlisted long ago they say, but for violating the law of the church. A discussion has been carried on in the open letter columns of the newspapers in this regard. Opposition to enlistment by the Archbishop of Canterbury and the various bishops rests on theory that by ordination the clergymen are dedicated forever to God's service, and that the profession of a soldier is incompatible with the priesthood. This finds some support in the Church and the laity. But the more popular point of view is that there are wars often based on righteousness, and self-sacrifice for a righteous cause is one of the ideals of the church. The clergymen signing the petition

address the following letter to the Bishop of London: "We, the signatories of this letter, believing that the needs of our country demand the most efficient utilization of the nation's resources, respectfully request your lordship to: "1.—Consider the possibility of so reorganizing the work of the diocese as will permit of the largest number of clergy being set free for a while or part time for work directly in connection with the war. "2.—Invite all clergy of military age to offer themselves for those branches of national service for which your lordship deems them suitable, and to undertake whatever work may, in accordance with this action be allotted them. "3.—Consider if it be not possible to waive the rule which at present prohibits clergy from serving in the combatant ranks."

**Mystery of an M.P.**

By Special Wire to the Courier.  
London, Jan. 17.—Under the heading of "Mystery of an M.P." The Express asks what Francis Neilson is doing in America. The Express states that he has not appeared in the House of Commons since August, 1894. In August, 1915, he went to the United States on a six months health tour, but the Express says his constituents have learned that he was able recently to address meetings at Providence, R.I., and Brockton, Mass., and other places, and that they take exception to some of the statements he is reported to have made at these meetings.

**The Empire's Call to Ontario: "ECONOMIZE"**

The existence of the British Empire depends upon the outcome of the War. All our resources must be thrown into the scale.

The Empire's call is for men, munitions, food, clothing, and, above all things, MONEY. We are being called upon to give our millions to carry on the war. Sir Geo. E. Foster has stated that the Dominion Government might even ask for a Domestic Loan of \$300,000,000. It is only a few weeks ago that Canadians subscribed over \$100,000,000 to a War Loan.

These facts bring right home to us that this is, as Premier Asquith stated, "A War of Money as well as Men."

Sir Robert Borden, Sir Thomas White, Finance Minister, and other prominent men have emphasized the necessity of economy.

Conserve our wealth. Cut down expenses. This is what we must do.

**Something to Think About**

Did you ever seriously think about the millions of dollars expended annually for alcoholic beverages in the Province of Ontario?

was \$103,049,129. Assuming that Ontario, whose population is one-third of the Dominion, consumes one-third of the alcoholic beverages, her share amounts to \$34,349,709.66. Let us say \$33,000,000.

In other words, Ontario's Annual Consumption of Alcoholic Beverages represents the cost of—

- 1st. Rifles, Machine Guns and Field Guns for an army of 690,523 men on active service for a period of 12 months.
- 2nd. Or Accoutrements, Camp Equipment, Harness and Saddlery, Transport Vehicles, Signalling and Telephone Equipment, Tools and Miscellaneous Requirements for 1,269,231 men at the front.
- 3rd. Or one year's Clothing and Necessaries for 330,000 men.
- 4th. Or Rations, Subsistence or Money Allowances for 226,027 "boys" on active service for one year.
- 5th. Or the Canadian Government's Separation Allowance for 117,773 dependents for the entire year of 1916.

The foregoing figures are based on the war estimates of the Department of Militia and Defence for 1916-17, as published on December 31st, 1915, in The Toronto Globe.

**Eliminate This Expenditure**

The Citizens' Committee of One Hundred believes that as a war-time measure, if for no other reason, this colossal expenditure for alcoholic beverages in Ontario should be eliminated. The Committee also has every confidence that the Provincial Government will move in this important matter as rapidly as public opinion will support them.

The function of the Citizens' Committee of One Hundred is to organize, crystallize and give expression to the present state of public opinion on the question of prohibition. The Committee believes that it can demonstrate to the Government that Ontario is overwhelmingly in favor of prohibition. The people will shortly be given the opportunity of signing a petition for presentation to the Government.

The Citizens' Committee of One Hundred is the executive head of this big new prohibition

movement. It represents the whole Province. It numbers men of both political parties—men who welcome this chance to work for prohibition now that it has been taken out of politics—earnest men who are working together for the common good.

The public are urged to join hands with the Committee and insure the success of the movement. Ontario cannot afford the liquor traffic. It is claiming millions of dollars, and sapping the strength of the manhood of the Province, all of which the Empire vitally needs in the present crisis.

It costs money to organize and advertise. If you think the object good and approve our method, one way to express approval is by a liberal financial gift. Make cheques payable to Frank Kent, Treasurer, and send to Room 1404, C.P.R. Building, Toronto.
