Woodhouse Women Will Work—A Centenarian Registers

(From Our Own Correspondent.)
Simcoe, June 26.—Provincial Detective Mills was here yesterday and his presence in the county coupled with the salutation which Farmer Cross received in Brantford yesterday, is considered a ray of hope for some rejuvenescence of the hand of the law in Norfolk.

Woodhouse Women Will Work—A Centenarian Registers

The Woodhouse Women's Institute held the second meeting since organization at the home of Miss Eric Bowly. Norfolk road, yesterday afternoon, the president, Mrs. Ward, in the chair. Five new members brought the total up to 27 and after the president, in a talk on "vegetables" had convinced the ladies of the practicability of drying vegetables. Miss Bowly and Miss Stalker were chosen as captains for a contest in this line of preserving surplus food till required. The contest is calculated to increase the membership.

Centenarian Registers

The secretary, Miss M. Burk, reported regarding the St. Willaums convention held on the 15th and Mrs. L. Shary reported as delegate to the Waterford convention. Several of the ladies brought jars of their favorite salads and these were utilized to provide the usual luncheon. July's meeting will be held at the home of Mrs. Charles Bowly. Distinguished Registrants at Dover.

Colon Ledfortune, with a few months added to his hundred years' pilgrimage on mother earth appeared for enrolment. Even to-day his advice is an asset to his country.

And he has advised that the Port Dover dock is no safe place to fish from. The Minister of Public Works would do well to make his acquaintance when visiting Dover. Mr. Ledfortune continues in good health and busies himself in useful work about the home of his daughter, Mrs. Nichol.

Fruit Outlook in Norfolk

The following is a conservative estimate of Norfolk's fruit crop: Apples—On the whole, 40 per cent. of a full crop, with Greenings, Russets and Kings carrying heaviest

load. Spies and Baldwins light and early varieties a moderately good crop.

Pears—Very light, and no great quantities grown.

Plums and cherries—Far from a heavy yield.

Gooseberries—Very light.

Raspberries—A good crop with favorable weather. Require more rain.

Strawberries—In general a fair crop.

On Three Months' Leave.

Lieut. Geo. S. Curtis, son of Major Geo. A. Curtis, of Simcoe, reported at New York yesterday homeward bound on three months' leave. He has never recovered from injuries received in a tumble with his plane. He is expected to reach Simcoe at noon to-day.

John A. Rose.

The late John A. Rose, whose death occurred at his home here yesterday, was the oldest of a family of five sons and two daughters of the late Taylor Rose, of Port Dover. He farmed in Woodhouse for many years and moved to Simcoe about fifteen years ago. Three brothers live across the border. Dr. David, in Florida; William, in California, and Daniel, in Muskegon, Mich., Mrs. P. G. Pearce, of Waterford, and Mrs. William Martin, of Chicago, are sisters.

Press Photographs

Robt. Waddle, Dominion Fruit Inspector, was in town yesterday. Mr. and Mrs. J. E. Howman of Galt, spent the week-end with Mrs. Pincock, Head St., north. C. S. McArthur of Jarvis, district representative for "Goshard & Heintzman" was in town yesterday. Mrs. Harding and Mrs. Kerr, of Port Rowan, were in town yesterday. Jno. S. Martin of Port Dover while in town yesterday, informed us that he has been able to raise a good season's hatch in strict compliance with the government's order forbidding the feeding of wheat to chickens.

Green Peas at Factory

The first load of green peas of the season came to the cannex factory on Monday evening. Several loads will be in full swing presently.

Did Not Have the Passport

Refused a ticket because he did not have his registration card, a western citizen was obliged to get a friend to drive him from Delhi to Simcoe yesterday.

SEVERE RULES TO SAVE FLOUR

New Regulation in Canada Compel Use of Substitutes

FOOD BOARD'S ORDER One-Tenth From July 1 and One-Fifths From July 15—Must Label Bread

Ottawa, June 25.—Compulsory use, by bakers, confectioners, public eating places and private households of substitutes for wheat flour, is prescribed in an order issued to-day by the Canada Food Board.

In making this measure public Mr. Thomson emphasized the absolute necessity of conserving our small stocks of wheat in order that we may share them during the next few months when their food situation will be extremely difficult.

The order defines as substitutes for wheat flour, "pure and whole-some corn, oats, barley, rice, rye, buckwheat, tapioca, or potato flour, bran, shorts, oatmeal, rolled oats, cornmeal, cornstarch, hominy, corn grits, rye meal, rice, tapioca, or any mixture of same, and potatoes."

Four pounds of potatoes will be considered equivalent to one pound of the other substitutes.

The order provides that on and after July 1, bakers, confectioners, and public eating places, in making any bakery product in which the use of substitutes in certain definite proportions is not prescribed by previous orders of the Food Board, must use one pound of substitutes to every nine pounds of standard flour. Similarly, persons baking for private consumption, any product in which white or standard flour is used must use not less than one pound of substitutes to every nine pounds of white or standard wheat flour.

Increase to One to Four.

On and after July 15th, this proportion, so far as places east of Port Arthur are concerned, must be increased to one pound of substitutes to every four pounds of white or standard wheat flour. Quantities of substitutes available west of Port Arthur at present too uneconomic to allow of a date being named for an increase equal to that required for Eastern Canada, but such increase will be made just as soon as the available supply of substitutes in Western Canada is sufficient.

On and after July 15th no licensed dealer may legally have in his possession for sale any wheat or standard flour, unless he also has at all times a sufficient stock of substitutes to meet the demands of his customers, at reasonable prices.

Persons at points east of, but not including Port Arthur, must purchase substitutes in the proportion of not less than one pound of substitutes to two pounds of wheat or standard flour, while persons west of and including Port Arthur, must buy not less than one pound of substitutes to four pounds of wheat or standard flour. Dealers are forbidden, on and after July 15th, to sell flour unless substitutes in the proportion stated, or to a greater proportion, are purchased.

Must be Labeled "Victory Bread."

On and after July 15th, every baker must place on each loaf of bread a label or sticker bearing his name and address, and the words, "Victory Bread." The latter expression will be a guarantee that the prescribed amount of substitutes for standard wheat flour, required by the Canada Food Board has been used in making the loaf. Bread which does not bear such a label or sticker may be seized and forfeited to His Majesty.

The order makes it an offense for any person to sell or have in his possession any bread, rolls, pastry or any other product in which white or standard flour is used, which does not conform to the requirements of the Food Board. The penalty for violations of the new regulations is a fine of not less than \$100 and up to \$1,000, or imprisonment for a period of three months, or both fine and imprisonment.

A ship and barge have brought 100,000 gallons of Cuban molasses to Belleville from New York City, part of a shipment of several million gallons for munitions manufacture.

TOLL ROAD PURCHASE NO NEARER

County Council Sends Back Agreement Proposed by the City

OPPOSE LIMITATION Cannot Bind Future Councils as to the City's Expenditure

"That this Council is still of the opinion that the several toll roads in the County of Brant should be acquired and the tolls thereon abolished, and that this Council is prepared to carry out the proposed agreement relating to its object the purchase of the Brantford and Paris and the Brantford and Oakland toll roads, and that it is not prepared by the agreement proposed by this Council. But this Council cannot undertake to bind not only the future representatives of the County, but also the future representatives of the Legislature of Ontario as to any changes that may hereafter be deemed advisable in legislation affecting highways adjoining cities, and therefore cannot agree to accept the restriction contained in the resolution passed by the City Council on June 21, as this would have the effect of binding not only all future Councils of the County, but also the future Legislatures of Ontario."

"That the Clerk be instructed to refer this matter back to the City Council, together with a copy of this resolution, and request their further and immediate action thereon."

Up to City Again

The next move in the purchase of the toll roads is up to the city, as a result of the above resolution, moved by Councillor Stewart, and carried 6-3, at last night's special meeting of the County Council. The Council's objection to the stipulations made by the city, that the latter's contribution to the construction and maintenance of suburban roads should not exceed the sum of \$100,000 on the city's assessment roll, and the game of battles and shuttlecock is no nearer a finish than before.

Quit Meat if Your Kidneys Act Badly

We are a nation of meat eaters and our blood is filled with uric acid says a well known authority, who warns us to be constantly on guard against kidney trouble. The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog, and thus the waste is retained in the blood, to poison the entire system.

COLLEGE MEN DINED

London, June 25.—The masters and fellows of Emmanuel College, Cambridge, were entertained at dinner last night by the Harvard Club, a large silver vase in commemoration of the fact that John Harvard graduated at Emmanuel College, was presented to Emmanuel by J. H. Severin, Liberal member of Parliament for Bristol division of Lambeth, who is a Harvard graduate, made the presentation. About 50 persons participated in the function, including a number of military and naval officers.

Quit Laxatives, Purges; Try NR

"It is a mistake to continually dose yourself with so-called laxative pills, cathartics, and purges, which weaken the bowels and give and make constant dosing necessary."

"Why don't you begin right today to overcome your constipation and get your system in such shape that daily purging will be unnecessary? You can do so if you get a 25c box of Nature's Remedy (NR Tablets) and take one each night for a week or so."

"This does much more than merely cause pleasant easy bowels."

"This medicine acts upon the digestive as well as elimination organs—promotes good digestion, causes the bowels to get the maximum amount of food you can give your system a good, hearty appetite, strengthens the liver, increases biliousness, regulates kidneys and bowel action and gives the whole body thorough cleansing up."

"I don't think we can draw them any further," observed Warden Pitts. Councillors Crichton and Seace felt that further concessions could be obtained.

Councillor Douglas recalled the failure of past movements to abolish the toll roads, and believed the county was losing money by delay in the matter.

"If the present owners of the Paris road repair the road, they will not sell it," pointed out the warden.

"We can expropriate it, if we

are willing to pay a higher price," explained Mr. Watts.

"If the road is repaired, it will be worth a higher price," considered Councillor Seace. "Let's put the matter up to the city," he urged.

"I don't think the city council will take any notice of any further resolution we send them," declared the warden. "It will mean that the entire affair will be dropped."

Councillor Greenwood agreed with the warden that the county should make a more propitious offer.

"The city will only go as far as we make them," observed Councillor Crichton.

"I doubt whether they will go any farther," insisted Warden Pitts.

"Councillor Seace then introduced his resolution, which carried, Councillors Smith, Douglas and Eddy voting 'aye'."

Grant to W.H.A.

The warden drew the attention of the Council to the request made by the W.H.A. for a grant to aid in the addition to the Nurses' Home.

"Has any sum been asked for?" inquired Councillor Greenwood.

"No definite sum—the larger the better, I suppose," replied the warden.

"There is no doubt the hospital is doing a big work, and its needs are growing," observed Mr. Greenwood.

"The nurses need a larger home," admitted Councillor McCann.

"They are crowded to the limit," observed the warden.

"We should encourage the W. H.A. in its work," considered Mr. McCann.

Councillor Greenwood moved that a grant of \$400.00 be made.

Councillor Douglas moved in amendment that \$250.00 be given.

"I was going to move that we give \$500.00, the same as the city," observed Councillor McCann.

"I was going to suggest \$1,000.00," added Councillor Seace.

Warden Pitts considered that \$400.00 would be a satisfactory sum.

"Where is the money coming from?" inquired Councillor Crichton.

"The new licenses fixed for junk dealers will provide it," replied the warden.

Councillor Greenwood, seconded by Councillor Douglas, moved that the sum of \$350.00 be granted. The resolution carried unanimously.
