A Perfect Separator Oiling System

In a machine which is operated at the speed required for a cream separator, perfect oiling is very necessary.

The new system of De Laval automatic oiling provides for a constant and liberal supply of CLEAN oil to every wearing surface of the machine at all times. There are no oil holes to fill up with dirt or perhaps to be neglected altogether, and every part is supplied with clean oil from the oil reservoir automatically and constantly.

In other, so-called, automatic oiling systems some of the parts have to be oiled by hand and no provision is made for getting rid of dirt that may get into the oil from the outside or of small particles of metal which come from wear, so that after a short time the oil supply becomes foul and injurious to the finely adjusted wearing parts.

DE LAVAL Cream Separators

have the only automatic oiling system which provides for a constant supply of fresh oil and, at the same time, the constant discharge of the used oil together with all worn metal particles or dirt which may have gotten into the used oil.

The perfect system of De Laval lubrication means an easier running and a much longer wearing machine. Come in and let us explain the advantages of De Laval automatic oiling.

Take Care of the Pennies So That the Dollars Can Take Care of You

You lose money because your store system does not show you where every penny comes from and where it goes.

It does not tell you how much money you should have.

It does not protect your money and accounts against mistakes and losses due to thoughtlessness, carelessness or indifference.

A National Cash Register will keep track of every penny you take in or pay out.

You get a correct record of every transaction occurring between your clerks and customers.

All your money and accounts are protected against mistakes and losses.

A National will increase your profits.

Investigation will cost you nothing.

Future of Fruit Growing Never Brighter

A year ago the department of Agriculture at Ottawa, through the Branch of the Dairy and Cold Storage Commissioner, undertook an investigation of the fruit growing conditions throughout Canada. The inquiry was entrusted to Mr. Wm. H. Bunting, an extensive fruit-grower of St. Catharines, Ont., who secured as much information as possible on the following points:

1 The possibilities of an extension of the fruit growing industry of Canada in the different localities visited.

2 The tendencies in the matters of the planting and growing of different kinds of fruit, and with regard to apples, the varieties which are being most extensively planted in their different districts.

3 The difficulties which are likely to be encountered in the further development of the fruit growing industry.

4 Methods of production and orchard management which have been most successful in the different districts and the probabilities of over-production.

5 The conditions under which British Columbia, Ontario and Maritime Province fruit is marketed in the prairie provinces as well as the character and the effect of American competition.

The enquiry was concluded in due time and the report has been printed for general distribution. It contains a large amount of detailed information gathered in every province, making it an invaluable guide to persons who desire to take up fruit growing as an industry.

In his general conclusions Mr. Bunting points out that while the growing of fruit offers ample reward to the man of energy, patience and perseverance, there is perhaps no phase of agricultural endeavor which requires to be more closely studied and in which a wider range of information is more desirable and necessary. The future of the industry, he states, was never brighter than it is today, the prospects never more attractive nor the field of extensive effort in all fruit growing provinces more inviting.

The report, which contains 84 printed pages and many illustrations, is available to all who apply for it to the Publications Branch of the Department of Agriculture, Ottawa, Ont.

Freckle-Face

Spot and Wind Bring out Ugly Spots, How to Remove Easily

Here's a chance, Miss Freckle-face to try a remedy for freckles with the guarantee of a reliable dealer that it will not cost you a penny unless it removes the freckles; while if it does, give you a clear complexion the expense is trifling.

Simply get an ounce of ointment—double strength from Clark's Drug Store and a few applications should show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case.

Be sure to ask the druggist for the double strength ointment as this is the prescription sold under guarantee of money back if it fails to remove freckles.

During eleven months April 1st, 1912, to March 1st, 1913, 357,531 immigrants arrived in Canada, consisting of 133,711 British, 124,398 from the United States, and 99,222 from other countries.

MINARD'S LINIMENT CO., LIMITED

GENTLEMEN:—I had my leg badly hurt the pain was very severe and a large swelling came above the knee. I expected it would be serious—I rubbed it with MINARD'S LINIMENT, which stopped the pain and reduced the swelling very quickly.

I cannot speak too highly of MINARD'S LINIMENT.

SIGNALS OF DISTRESS

Kentville People Should Know How to Read and Heed Them

Sick kidneys give many signals of distress.

The secretions are dark, contain a sediment.

Passages are frequent, scanty painful.

Backache is constant day and night.

Headaches and dizzy spells are frequent.

The weakened kidneys need quick help.

Don't delay! Use a special kidney remedy.

Booth's Kidney Pills cure sick kidneys, backache, and urinary disorders. Kentville evidence proves this statement.

James Foster of Gaspereau, N. S. says:—

"For several months I had been very much troubled with lame and sore back which inconvenienced me very much in working. The pains in my back were so severe at times that I would have to stop my work. The kidney secretions had also been highly colored and contained a heavy sediment. I had tried various remedies to relieve me but without receiving any benefit from them. I then learned of Booth's Kidney Pills through an advertisement and procured a box at J. D. Clark Pharmacy and found in them almost immediate relief.

To-day I feel as if I had a new back as it does not trouble me in the least. The kidney secretions have also cleared and I feel better generally. Sold by Dealers. Price 50 cents." The R. T. Booth Co., Lt. Fort Erie, Ont., Sole Canadian Agents.
