ADDRESS AND PRESENTATION

Miss Nellie Earl Honored by Epworth League

At the regular meeting of the Epworth League on Monday evening Miss Nellie Earl received deserved recognition of her faithful and efficient services in that organization by being presented with a handsome writing portfolio accompanied with the following address:—
Miss Earl,—
For a period of several years you have been prominently identified with the Athens Epworth League as a member and an official. We may confidently assert with pleasure and just pride that our progress is evident, our work has been extended, and this branch of the church has increased numerically and otherwise. Thus at the present we feel that we were never in better form to effectively conduct our operations and accomplish the continual and ultimate purpose of the League. We are aware that our very satisfactory advancement has been the direct result of efficiency, and of fidelity to our cause.

We desire to give credit to whom credit is due, and in this respect we know that no one has contributed more toward this end, and to no one are we more indebted than to you.

For a term of years we have been the beneficiaries of your able assistance; as our pianist you have devoted, without demer, your energies and the musical talents with which you are endowed, to enhance the interests of the League, and to promote the cause which you have at heart. We have noticed in the past a keen sense of responsibility, and a sincerity and unselfishness of effort which evokes our praise and admiration. The Athens Epworth League has undertaken the publication of a booklet of choice thoughts which is intended to arouse an increased interest in league work and to bring us into closer contact with the people of the vicinity. In the compilation of this booklet your ceaseless endeavors have been crowned with that success of which you are truly worthy. Surely cheerful service should merit a cheerful reward.

We beg of you to accept this humble token of our unqualified gratitude and appreciation. We trust that we shall long continue to enjoy the sunshine of your presence and co-operation in the achievement of our lofty aims.

Signed on behalf of the League,
A. M. Lee, President
E. H. Latimer, Secretary

LIVE STOCK AT OTTAWA WINTER FAIR

The live stock industry in Eastern Ontario has made rapid progress during the last few years, and the farmers are justly paying more attention to the improvement of their stock. The Ottawa Winter Fair has been one of the greatest factors in stimulating the interest in the live stock industry, and has done more than any other organization in Eastern Ontario to bring the live stock in their part of the province, to the front.

This year the live stock department of the Ottawa Winter Fair will be better than ever. The classification in many classes has been increased. In Clydesdale horses, the classes for Canadian-breds has been extended and the amount of the prizes increased. This will offer more encouragement to the breeders who have not exhibited previously. The Percheron classes have also been largely extended, and justly so, as this class of heavy draft horses is coming more and more to the front each year, and is now being given the recognition it deserves. The classes for Hackneys, Standard-breds and Ponies have also been increased and extended. All of these additions will greatly benefit the Eastern Ontario exhibitors especially amateurs and new exhibitors.

In the Beef Cattle classes the prize money has been substantially increased. Here also the additions have been made with the view of stimulating the beef industry, and the increased prize money has been so applied to encourage the amateurs and new exhibitors, as well as the larger breeders who exhibit each year.

The classification and prize money for sheep and swine is also complete and extensive and offers the greatest possible encouragement to all exhibitors and breeders who never before competed at this great Ontario Fat Stock Show. The farmers of Eastern Ontario may therefore rest assured that when the Ottawa Winter Fair opens on Jan. 20th next, the exhibits in all live stock classes will be larger and better than ever, and that this growing fat stock show will more than maintain its high standard of previous years.

A very extensive programme of lectures has been arranged, dealing with the various subjects of practical interest to the farmer. The question of Stallion Enrollment, which is of great importance, will be thoroughly and capably dealt with. Write to W. D. Jackson, Secretary, Carp, Ont., for free prize list.

Parade and Camp-fire

On Monday evening the Athens High School Cadets, under the command of Captain the Rev. W. G. Swayne and Sergeant-Major Redmond paraded the streets of the village headed by the cadet band. Captain Mills Johnston had his cadets well in line and the boys presented a very creditable appearance. The parade ended at the farm of George Bradley where a camp-fire was built and a programme of songs speeches and stories enjoyed. The staff of the High School and a number of ladies attended the camp-fire, and were delighted with this novel form of entertainment. Fruit and other refreshments were served.
