QUESTIONS FOR THE FAMILY

Do we consider that God will hold us responsible for the use, and abuse of His word. When Jesus asks the question, "How shall they escape, who neglect so great salvation? Do we believe that Salvation is our birth right, purchased for us by Jesus, on Calvary's cross.

Do we believe that forgetting God, neglecting this great Salvation is a soul damning sin. Do we believe that Heaven and earth will pass away, but God's word will not pass away, till all is fulfilled. "Are we believers in the Bible and in its precious promises or are we infidels? What do we believe anyway, and to whom are we loyal? Do we believe Jesus is worthy of our best services? Then the question is, are we willing to render unto Him His dues? One of the Family.

Delta

The news on Thursday afternoon of the very sudden death of Mr. George Morris was received with a profound shock and sincere sorrow as up to about half an hour before his death he had been in his usual health with the exception of occasional trouble with his stomach. Mr. Morris was a man of 63 years, and a life-long resident of Delta. He was a man respected by all who knew him, of good judgement intermingled with kindness and justice.

Rev Mr. Murray assisted by Rev. Mr. Barker, conducted the funeral services and Saturday p.m. at their commodious residence and as his pastor said of him "he was a good neighbor, a loyal citizen, a kind father and loving husband, and one that will be missed by the poor." About 50 of his brother Oddfellows were in attendance and after the service in the parlors, the casket was borne out on the spacious lawn where the beautiful service of the Oddfellows was held after which the body was laid to rest in the cemetery at Sand Hill.

The pallbearers were brother Oddfellows, W. Sheridan, A. Gallagher, J. Barlow, E. J. Suffer, W. J. Birch and R. J. Green.

Besides the sorrowing widow he leaves four daughters and three sons Mrs. French, Mrs. Hill, Mrs. Coleman and Miss Eva and Messrs Will, Stanley and Clarence all residents of Delta, to which the sympathy of the surrounding country is extended and which was shown by the large assembly from far and near to pay the first tribute of respect to one whom to know was to respect.

Philipsville

Syrup making is done and the most of the syrup makers have gathered their sap. Their was as much made this year as in former years.

One of our local rat trappers had a fine lot of skins and was offered \$5.00 a piece and refused, he wanted more and finally sold them for \$4.00 losing \$1.00 on each skin.

Some of our farmers have started plowing.

R. C. Haskin is still hauling cheese box material.

Mrs. Dorway, an elderly lady is very low, just a general breakdown. The rest of the sick have all recovered.

Harvey Davison has purchased a fine pair of black horses to work his large farm.

Coarse feed seems to be quite plenty. There is very little hay moving this spring.

Farmers' Pride Cheese Factory is making cheese three days in the week.

These cold and frosty nights have given the fall wheat a nice yellow color and it is pinching the clover too.

The heavy windstorm that passed through this section some weeks ago played havoc with the farmers.

Tenders for Coal

SEALED TENDERS addressed to the undersigned and endorsed "Tender for Coal for the Dominion Buildings, Ontario and Quebec," will be received at this office until 12 o'clock noon, Thursday, April 29, 1920, for the supply of coal for the Dominion Buildings throughout the Provinces of Ontario and Quebec.

Combined specification and form of tender can be obtained from the Purchasing Agent, Department of Public Works, Ottawa, and from the Caretakers of the different Dominion Buildings.

Tenders will not be considered unless made on the forms supplied by the Department and in accordance with the conditions set forth therein.

Each tender must be accompanied by an accepted cheque on a chartered bank payable to the order of the Minister of Public Works, equal to 10 p. c. of the amount of the tender. War Loan Bonds of the Dominion will also be accepted as security, or war bonds and cheques if required to make up an odd amount.

By order,

R. C. DESROCHERS,
Secretary.

Department of Public Works,
Ottawa, April 3, 1920.

Make a real job of it.

PAINTING becomes necessary as your property increases in value, and as property was never so valuable as today there is a greater need than ever for that kind of paint which actually preserves the surface and thus saves the entire house. This spring, to make a real job of it, use

B-H "ENGLISH" 70% Pure White Lead

because it combines permanence, covering capacity and economy.

If B-H "English Paint" was dearer than it is, it would still be the most economical—the shorter life of other cheaper brands makes them more expensive in the end.

It contains the famous Brandram's Genuine B.B. finely-ground white lead—70%—to which is put 30% of pure zinc—a guaranteed formula that no other paint can boast. To this mixture is added fine turpentine and linseed oil from the B-H mills, which is of a quality in keeping with the other ingredients.

When you use B-H Paint you will notice its "body" and brilliance—you will compare the extreme covering capacity with other brands—the permanence you will be able to prove by other exteriors painted with B-H paint years ago.

This Store sells B-H Products—Color cards free on request.
