REACHED LHASSA AUG. 3

British Expedition Enters Sacred City Without Fighting.

Dalai Lama Has Fled to a Monastery 18
Miles Distant, and Avers He Will Shut
Himself Up in Complete Seclusion For
Three Years—Amban Pays Ceremonial
Visit to Col. Younghusband—City Sur-
roundings Fertile.

Simla, British India, Aug. 8.—The
British expedition into Tibet reached
Lhasa at noon Aug. 3, with no
further fighting than was reported in
the last despatches.

Dalai Lama Has Fled.—(Delayed
in Transmission.)—The British ex-
pedition is encamped a mile from the
Sacred Mountain of Potala, on which
is situated the Dalai Lama's Palace,
and in the immediate vicinity of the
Dalai Lama's private gardens.

The Dalai Lama fled to a mon-
astery eighteen miles distant. It is
reported that he has shut himself up
in strict seclusion, refusing to see
even the highest state officers, and
declaring that he will remain seclud-
ed for three years.

Col. Younghusband has received a
ceremonial visit from the Amban,
who promised to assist in arriving
at a settlement, and presented gifts
of food to the British troops.

The appearance of the city shows
the descriptions of explorers to be
extremely accurate. The surround-
ings are very fertile, and whole
places give evidence of great pros-
perity.

A brilliantly costumed group
watched the approach of the expedi-
tion from the roof of one of the
structures on Potala Mountain.

TOULON IN FLAMES.

Began in Extensive Stores of Arsenal and
Now Threatens Complete Blocks
of Buildings.

Toulon, Aug. 8.—Fire broke out in
the arsenal here at midnight, originat-
ing in the extensive stores. The fire
spread rapidly, and now threatens
to embrace entire blocks of
buildings. The troops were at once
mustered in the street.

The prefect of the maritime port is
organizing assistance, and admirals
and generals are helping in the works
at the pumps. A division of the re-
serve squadron has been called upon
to aid.

Guns are being fired as signals for
help, which is coming in from the
whole countryside.

The flames are spreading with great
rapidity.

Strasbourg Also Burning.

Strasbourg, Alsace-Lorraine, Aug. 8.
A great fire is raging in the old
quarter of this city.

A large orphan asylum and the
Magdalen Church have already been
destroyed.

Scores Homeless By Fire.

Wallace, Idaho, Aug. 8.—Scores of
people were rendered homeless, and
nearly \$100,000 worth of property
was destroyed by fire that swept
Black Bear, a small town between
Wallace and Burke, Idaho, only a
dozen small cottages were left stand-
ing. The fire was stopped only after
dynamite had been used to destroy
several houses. The loss is practi-
cally total.

BIG FIRE NEAR BRAMPTON.

Robert Dale's Hay and 1,200 Bushels of
Wheat Gone.

Brampton, Aug. 8.—One of the
most disastrous fires that has oc-
curred on farm property in this
neighborhood in years took place on
Saturday afternoon on Robt. Dale's
premises, lot 2, con. 1, Chingia-
cousy, half a mile south of Brampton.
His year's crop of hay and 1,200
bushels of wheat were lost.

Threshing was going on at the time
and it is supposed sparks from the
engine caused the blaze. The thresh-
ing outfit belonged to Jos. Sheard.
His loss amounts to one thousand
dollars, with no insurance. Dale's
insurance amounted to \$1,100 on
buildings and \$1,500 on contents.

HAS CANADA BACKED DOWN.

J. H. Bacon Says Case Against Him Has
Been Dropped.

Port William, Aug. 8.—Word has
been received here from J. H. Bacon,
harbor engineer and hydrographic
surveyor of the Grand Trunk Pacific
Railway Company, stationed at Port
Arthur, Ont., to the effect that his
case will be dropped by the Govern-
ment. Mr. Bacon had gone to Mon-
treal to contest a warrant for his
arrest and deportation.

Mr. Bacon is an officer in the em-
ploy of the United States Engineer-
ing Corps against whom the Ameri-
cans made a definite
charge to Sir William Mulock on
July 12 that he was making reports
to the United States Government. He
is also one of the men whom Judge
Winchester ordered deported five or
six weeks ago and whom Mr. Field-
ing assured Parliament had left the
country.

In consequence of this complaint of
the engineers the Dominion Govern-
ment made a feint at ordering the
arrest of Mr. Bacon. That gentle-
man immediately appealed to the
Government and announced his in-
tention of fighting the warrant.

Dr. Dawson Resigns.

Ottawa, Aug. 8.—Dr. Dawson, the
King's Printer, has applied for su-
perannuation. Dr. Dawson has been
in the service for many years and
has contemplated retirement for some
time. It is understood that he con-
sidered the present a good time to
step out, leaving his successor to
take hold at the juncture when the
printing bureau building and sta-
re to be enlarged. He is 71 years of
age and has been in his present of-
fice since 1881.

DEAFNESS CANNOT BE CURED

by local applications, as they can-
not reach the diseased portion of the
ear. There is only one way to cure
deafness, and that is by constitutional
remedies. Deafness is caused by an
inflamed condition of the mucous lin-
ing of the Eustachian Tube. When
this tube is inflamed you have a rum-
bling sound or imperfect hearing,
and when it is entirely closed, Deaf-
ness is the result, and unless the in-
flammation can be taken out and this
tube restored to its normal condi-
tion, hearing will be destroyed for-
ever; nine cases out of ten are caus-
ed by Catarrh, which is nothing but
an inflamed condition of the mucous
surfaces.

We will give One Hundred Dollars
for any case of Deafness (caused by
catarrh) that cannot be cured by
Hall's Catarrh Cure. Send for circulars,
free.

March of the Idle Army.

Chicago, Aug. 8.—In a parade sev-
eral miles in length 25,000 strikers
and their families encircled the stock
yards district Saturday, and gave
the first public demonstration since
the strike was called on July 12.
With banners flying, they marched to
lively music from a dozen bands,
and wound up with a picnic at Os-
wald's Grove, 52nd street and Ash-
land avenue. The procession started
at 10:30 o'clock, and it was 2:30
o'clock before the last of the line
reached the picnic grounds. It was a
parade of the nations, for men sub-
jects of nearly every ruler in the
world being in line. Hundreds of
children, dressed in white and wav-
ing flags, marched at the head of the
women workers.

CATARRH, PNEUMONIA, CON-
SUMPTION.

Death's fatal triad they are often
called. Catarrh is the first stage,
pneumonia often follows, and con-
sumption finally exacts the full pen-
alty. This can all be averted by using
healing, balsamic Catarrhazone,
an antiseptic that penetrates the remot-
est air cells of the lungs. Catarrh-
azone reaches the entire mucous sur-
face of the throat and breathing ap-
paratus; it carries health wherever it
goes, brings instant relief and is ab-
solutely certain to cure. Don't delay,
get Catarrhazone to-day. It means
health, certain cure. Two months'
treatment \$1.00, trial size 25c. Cat-
arrhazone is guaranteed.

Mrs. Murphy Dies Aged 134.

Meadville, Pa., Aug. 8.—Mrs. Mary
Murphy, the oldest person in the
State, if her age is correctly report-
ed, died Saturday in Kertown, aged
nearly 134 years. Mrs. Murphy a few
months ago said: "I was born in
Dublin, Ireland, on Christmas Day,
1770, and came to America in May,
1870, when I was in my one hun-
dredth year. I was 28 years old
when the Irish rebellion took place
in 1798, and my first husband was a
soldier. I was 33 years old when
Robert Emmett was executed for trea-
son, Sept. 29, 1803." Mrs.
Murphy is survived by her second
husband.

A FAMILY NECESSITY

Is a remedy capable of affording
immediate relief to the hundred and
one ailments that constantly arise. It
may be a cold, perhaps toothache,
neuralgia, pain in the back, use Ner-
viline, it's more penetrating, pain-
subduing and powerful than any
other liniment. Nerviline is at least
five times stronger than ordinary
remedies and its worth in any house-
hold can't be over-estimated. For
man or beast Nerviline is a panacea
for all pain and costs only 25c. per
bottle. Buy Nerviline to-day.

Torpedoed a President.

Montevideo, Uruguay, Aug. 8.—An
attempt was made upon the life of
President Pardo, Saturday, as he
was driving his family. As the
party was passing along one of the
principal streets of the city a buried
torpedo was exploded at the side of
the carriage. The explosion tore up
the track of the railway running
through the street and the pavement.
No one was injured.

VERY REMARKABLE CURE OF
DIARRHOEA.

"About six years ago, for the first
time in my life, I had a sudden and
severe attack of diarrhoea," says Mrs.
Alice Miller, of Morgan, Texas. "I
got temporary relief, but it came back
again and again, and for six long
years I have suffered more misery
and agony than I can tell. It was
worse than death. My husband spent
hundreds of dollars for physicians'
purgatives and treatments, without
avail. Finally we moved to Bosque
county, our present home, and one
day I happened to see an advertise-
ment of Chamberlain's Colic, Cholera
and Diarrhoea Remedy with a testi-
monial of a man who had been cured
by it. The result was wonderful. I
could hardly realize that I was well
again, or believe it could be so after
having suffered so long, but that one
bottle of medicine, costing but a few
cents, cured me." For sale by all
Druggists.

SENATOR AIKINS DEAD.

Entered Politics in 1854. Was Secretary of
State in 1869, and Later Was Lieuten-
ant-Governor of Manitoba.

Toronto, Aug. 8.—The Hon. James
Cox Aikins died at his residence in
Wellesley street, Toronto, on Satur-
day at 6:30 p. m., after a lingering
illness. Mr. Aikins was a son of
James Aikins, who left the County
of Monaghan, Ireland, in 1841, and
after residing in Philadelphia for
four years, came to Canada and set-
tled in the Township of Toronto

LATE HON. J. C. AIKINS.

tled in the Township of Toronto
(now in the County of Peel), where
Mr. Aikins was born on March 30,
1823. Mr. Aikins received his edu-
cation at the local schools and at
Victoria College, Cobourg, from
which University he held the degree
LL.D. After leaving college he be-
came a successful farmer. He early
entered politics, and sat for the
County of Peel in the Canadian As-
sembly from 1854 until the general
election in 1861, when he was defeat-
ed by the late Hon. John Hilliard
Cameron, but was afterwards a mem-
ber for the "home" division of the
Legislative Council from 1862 until
the union, and was called to the
Senate by proclamation in May,
1867, and retired to assume the
gubernatorial chair of the Province
of Manitoba.

A Secretary of State.

Mr. Aikins entered Sir John A.
Macdonald's administration as Sec-
retary of State and Registrar Gen-
eral of Canada, on Dec. 9, 1869, and
continued in these offices until the re-
signation of the Government on Nov.
5, 1873. On the return of the Con-
servative party to power, October,
1878, Mr. Aikins was again ap-
pointed Secretary of State. As a
minister he framed and carried
through Parliament the public lands
act, 1872, and after the acquisition
of the Northwest Territories by Can-
ada, he organized the Dominion
Land Bureau, now the Department
of the Interior. Prior to 1869 Senator
Aikins had been identified with the
Liberal party. As Secretary of
State he held office until he was ap-
pointed lieutenant-governor of Mani-
toba.

Recalled to the Senate.

Mr. Aikins resigned from the Cab-
inet on May 23, 1882, and in Decem-
ber of the same year was sworn in
as lieutenant-governor for the Pro-
vince of Manitoba, and on the expira-
tion of his term of service as such,
returned to Toronto, and in January,
1896, was a second time called to the
Senate.

Mr. Aikins had at various times
during his business career, much to
do with many important financial,
commercial and industrial under-
takings. He was prominently iden-
tified with the prohibition movement,
and held office as vice-president of
the Ontario Prohibition Alliance.

He married in 1845 Miss Mary
Elizabeth Somerset, who died some
years ago. His family consists of
three sons and four daughters.

The late Senator put in an ap-
pearance this year at the Senate for
a few days, but returned to Toronto
much enfeebled, only to pass slowly
away.

HUDSON BAY.

Neptune Hoists British Flag at Lancaster
Sound—American Whaler, the Era,
Admits Canadian Authority.

St. John's, Nfld., Aug. 8.—The
Government chartered sealing steam-
er, the Erik, which conveyed an aux-
iliary expedition to the steamer Nep-
tune, the official steamer sent to com-
plete the annexation of Hudson Bay
and territory, returned here yester-
day, bringing Major Moodie, Gov-
ernor of Hudson Bay.

The Erik met the Neptune at Port
Burwell, July 25, and transferred
coal and supplies. The Erik started
on the return journey last Tuesday,
while the Neptune cruised north to
Lancaster Sound, hoisting the British
flag and proclaiming British sov-
erignty over that territory.

An American whaler, the Era,
found in Hudson Bay, paid duties on
all goods intended for trading, there-
by admitting Canadian authority.

Major Moodie will go to Ottawa
to consult with the Canadian Gov-
ernment and he hopes to join the
steamer Arctic, which will leave
Quebec in about two weeks, to re-
lieve the Neptune. Major Moodie be-
lieves the Hudson Bay route to be
perfectly feasible, as a commercial
proposition. He also believes that
the Canadian Government should
build several forts, station a number
of police therein and commission two
steamers for Hudson Bay so as to
adequately cover the needed service
there.

Louis Tollefson Arrested.

Hamilton, Aug. 8.—Two or three
days ago Louis Tollefson, a Vine-
mount man, was arrested, and his
arrest was kept dark. Saturday
morning he was brought to the po-
lice court on the charge of giving
Miss Jessie Lee, pills for criminal
purposes, and the prisoner was re-
mandered for a week while the Crown
is preparing the evidence.

CHOLERA INFANTUM.

This has long been regarded as one
of the most dangerous and fatal dis-
eases to which infants are subject.
It can be cured, however, when prop-
erly treated. All that is necessary is
to give Chamberlain's Colic, Cholera
and Diarrhoea Remedy and castor oil,
as directed with each bottle, and a
cure is certain. For sale by All Drug-
gists.

The hours we pass with happiness
view are more pleasing than those
crowded with fruition.

MANY SUDDEN DEATHS

Are traced to a heart that was
neglected. If your heart is weak or
beats too rapidly you need Ferrozene
to strengthen the heart's muscles,
regulates its action and stop smother-
ing spasms. Ferrozene always
cures weak heart and restores this or-
gan to a strong, healthy state. The
best heart medicine in the world is
Ferozone, which beats any substi-
tute. Widely used by doctors and sold
