BOBS" AND EARL GREY

May be Here to Open the Exhibition in September--Meeting of Executive.

A meeting of the Executive of Agriculture Society No. 34, will be held tomorrow morning at 10.30 o'clock at the office of Secretary Hooper.

There is considerable business of importance to come before the meeting and they will have placed before them the names of the different committees for the Exhibition, the chairman having been appointed at the last meeting. Another matter that will be to arrange to have lord Roberts and Earl Gray here to open the grandexhibition in September. The 1903 exhibition was opened by some province this intention of visiting this time recommendation from the City Oouncit to appoint Ald. Chestnut to

FLOATING DEBT BILL.

The Mayor, City Clerk and City Treasurer Before Committee.

Authority Given to Issue Bonds for \$8,000 Only.

Ex-Aid. Farrell and Mr. J. H. Barry in Opposition to Original Bill.

In the Municipalities Committee the bill to authorize the City of Fredericton to issue debentures to pay off the floating debt caused a long discussion. Mr. Barry and ex-Alderman Farrell were heard against the bill, and the Mayor, the City Clerk and Ald. Chestaut for it. The City Treasurer gave a statement of the assets and liabilities of the city at the end of the year from which it appeared that at the close of the year there was an overtraft of 18,804, to which was to be added \$1,344 paid on account of a steam roller. They had in cash \$2,094. Since then taxes have been collected to the smount of \$7,898 and sewerage and water \$2,388. There is due on ground rent \$750 and on sewerage and water \$300. There are also \$11,000 of back taxes, of which 75% is good. The committee thought that under these circumstances it was not necessary to issue bonds to the amount of \$25,000, but they gave authority to set the steam roller and other capital expenditures.

The Bill to amend the act incor-

of the steam roller and other capital expenditures.

The Bill to amend the act incorporating the Town of Dalhousie was recommended as amended. It gives power to the Commissioners to levy taxes for the repair of the streets and to improve the town hall. It authorizes temporary loans to meet current expenses, gives persons paying tax on \$300 income a vote, and enables the ratepayers to exempt the Restigueche Woodworking Co. from taxation and to supply it with water.

DIED IN OHIO.

Prosperous York County Man Passed Away Suddenly.

The remains arrived at Millville last evening of Alexander Dunlap, son of Andrew Dunlap, the well known resistent of Upper Haynesville. The sad antelligence of his son's death came to Mr. Dunlap by telegram from Ohio on Friday and proved a sad blow to him. Alexander Dunlap had been located in Boston for 12 years and he prospered there. He and his brother, David, had just started a large dry goods store in Ohio.

No particulars were given in the telegram as to the cause of death but it must have been most sudden as when Mr. Dunlap left Boston for Ohio he was in good health. He arrived at his home on Wednesday last and on Thursday death ensued. Decensed was 31 years old and unmarried.

One brother, Harry, preceded the remains to make arrangements for interment and two brothers, George and David accompanied the remains.

The funeral took place this afternoon at 1,30 p. m.

REAR END COLLISION. wo Freights Come Together at Westfield -Cars Caught Fire.

A rear end freight collision on the C. P. R. near Westfield caused considerable damage this morning, though nobody was injured. One train was stalled on a grade and the other not observing the signals crashed into it. An overturned stove set the wreckage on fire and increased the destruction. Hoses about \$3,000.

It was several hours before wrecking crews got the track cleared.

OPENING NAVIGATION.

very Little Change In the Situation Along the River Today.

Along the River Today.

The ice bridge here has about vanished. It is gradually wearing away and part of it has run out.

The ice jam at Kingsclear is apparently a pretty solid one. The ice is piled in around the islands in pretty strong fashion.

From Edmundston it is reported that the river is clear of ice there while at Woodstock there is some ice running. The ice is jammed below Edmundston and has not come over Grand Falls as yet. The river is practically clear from the mouth of the Aroostook to Kingsclear.

The ice at the mouth of the Tobique is out but up the river they were crossing on Saturday and Sunday.

The river is blocked at the reach.

SUPREME COURT.

The Easter term of the Supreme Court opened this morning with all the Judges present. There was only one case presented, that of Maxime P. Babineau vs. Frederick LaForest. An order made by Mr. Justice McLeod at the Madawaska Circuit, March 15th, 1905, to postpone the trial, was on motion of Mr. Barry, counsel for the plaintiff, made a rule of court.

There were no common motions made. The docket of the sitting is an exceptionally short one and it is probable that the Court will get through its business this week.

PERSONAL.

Mrs. Martin, King street, left last evening for New York to visit her daughter, Mrs. Hodgson.
Mr. F. H. Clark left last evening for Calgary, N. W. T.
Mrs. Jas. Donovan went to Woodstock this morning to visit her son, Joseph, who is ill at his home there.
Mr. Frank G. Edwards left yesterday for Chatham on a business trip.
Miss C. H. Perley left last evening for North Cambridge, Mass.
Mrs. Butler, who was here since the death of Mrs. Medley, left last evening for Kingston, Ont.
Mr. Fark Rowley, of the Bank of Nova Scotia at Yarmouth, N. S., arrived last evening to spend a short time with his parents at Marysville.
Mrs. T. G. Loggie, who has been visiting friends at Montreal, returned home today.

THE WEATHER.

TORONTO, April 11—Maritime—Moderate variable winds, scattered showers tonight and Wednesday, but partly fair.

A Theatre Party.

The Postmaster and Mrs. Hilyard entertained at their residence last evening at an after theatre supper. The affair was highly enjoyable and the guests were most outspoken in their praise of their hosts. The guests included: Mr. and Mrs. W. C. Hazen Grimmer, The Misses McLaren, St. John; Mr. Don Grimmer, St. Stephen: Mr. W. S. Harkins, New York; Mr. Morrison, M. P. P., Mr. J. C. Allen and others.

WANT HIM RETAINED.

EVERBODY HAPPY.

The Harkins Company Has Found the Combination for the People's Approval.

Poland's origin come song where.

Mr. Poland had a lot of local hits in the extra verses. One was about the members bowling at tenpins and once in a while with St. John bills. Another was on the new mayor and aldermen and their reform plan to substitute electric lights for the moon in the street lighting plant: one more was on the water supply while the late happenings in police circles were honored with mention. It was a great hit.

Is the liver. Small wonder that liver trouble makes you feel so miserable. The symtoms are constipation, dizziness, indigestion, headache, feeling of depression and lack of appetite. There is but one sure cure—Pr. Hamilton's Pills. In every case they are successful. By relying on Dr. Hamilton's Pills you are sure of strong vitality, nourishing blood, bright cheery spirits. No longer will you suffer from disordered liver or kidneys. The marvet of this medicine is that it keeps you well—prevents and wards off sickness of every kind. 25c per box everywhere.

Maloney's Wedding Day

Maloney's Wedding Day.

The big musical farce comedy, Maloney's Wedding Day will be presented at the Opera House on Wednesday evening. That the play is a great success as a laugh producer and entertainer cannot be denied. With practically no restrictions in the way of a set plot and the consequent complications and the subsequent denouncement, the piece rolls merrily on to a climax of hilarity. No plot is needed. Dan Maloney is a whole play in himself. Fate's perservance, carried to the extreme, forms enough of a plot to bear all the rollicking absurdities that an audience can stand in one evening. The fun making is of the most boisterous nature, and there is no let up from the time the curtain rises on the first scene tillit goes down on the last act. No chance for prosy dialogue, no call for extended conversations—nothing but singing, dancing and action from the drop of the flag.

Students Will See The Marriage.

The representatives of Westmorland County in the Legislature have bought up twenty of the seats for the performance in the Opera House this evening for the Marriage of Kitty and they will have the students from their county for their guests this evening. Last evening the Standing Room Only sign went up early. There are a few good seats left for tonight and another crowded house will be present to bid farewell to the Harkins Company. The Marriage of Kitty is said to be even better than last night's bill and extra specialities will be put on.

on.

The G.T. P. Surveys.

Mr. George E. Howie, C. E., who has been a member of the Grand Trunk Pacific survey party running north from Edmundston, arrived home last night. The party has stopped work, having completed the preliminary survey and will commence on the location survey as soon as the snow is off the ground in the woods. Mr. C. L. B. Miles, chief engineer of the party, and Mr. C. L. Hervey, of Nova Scotia, the assistant chief, will arrive here tonight. Mr. Hervey, will be the guest of Mr. Howie for a few days.

Aldermen and Firemen Won't Stand to

Considerable feeling has been worked up over the statement by Chairman Ross of the Fire Department that he would recommend the replacing of Driver Doucet of the hose truck. Many of the aldermen state that they will not back up Ald. Ross' recommendations and Acting Chief Ructer will probably head a petition to be placed before the City Council from the firemen asking for Driver Doucet's retention. Some claim the affair to be a personal matter.

It is doubtful if a better laugh provoker than Brown's In Town as put on at the Opera House last evening by the W. S. Harkins Co. ever was seen here and Mr. Harkins has been congratulated on all sides by his friends here on having got together such a fine company of players.

To describe the happenings that occur from time to time in Brown's in Town or to give a story of the piece would make a newspaper look like a piece of patchwork.

Mr. Morrison, as the sometimes happy and often distracted young husband, gave a remarkable realistic portrayal of the part and the generous applause accorded him was all deserved, while Miss Timmons as his young wife was winsome and her affable manner won the hearts of many of the audience as well as that of her ill-tempered father-in-law, the part so well taken by Mr. Macklin.

Miss Sue Van Duser as Miss Suzanne Dacre did not have all the opportunities that she really needed to show her ability. Miss Van Duser in appearance is most taking, her voice is a very sweet and pleasing one and she evidently studies her characters conscientiously.

Miss Campbell as Ereda Von Hollingbeck, a love smitten German girl, did a lot towards making the play funny while Mr. Jones and the other members of the company acquitted themselves creditably.

The pleasure of the evening was greatly added to by the excellent rendition of one of the typical Andrew Mack love songs by Mr. Jones and Mr. Poland's bright comic song Everywhere.

Mr. Poland had a lot of locaf hits in the extra verses. One was about the
