Then I got a sample of "Fruit-a-tives," but I had no faith in them at all, and I would not have taken them only my husband begged so hard for me to try them. As soon as I began to take "Pruit-a-tives" I grew better, the bloating was relieved, the sleeplessness was cured, my stomach acted, and the bowels were moved, but above all the fearful womb pains were made easier. I have taken eighteen boxes in all and I am now perfectly well again."
