## "IMPOSSIBLE TO HELP MY KIDNEYS"

### Until I Used "Fruit-a-tives" Worlds Greatest Kidney Cure

Practically everybody in Toronto knows Professor J. F. Davis. For years, the elite of that city has taken lessons from Prof. Davis in the art of Dancing and Deportment.

His constant activity gradually weakened his Kidneys, which calamity threatened to make him an invalid.

But read Prof. Davis' letter—

563 CHURCH ST., TORONTO, ONT.

DICEMBER 29th. 1911

"I want to say that "Fruit-a-tives" is my only medicine, and has been for the past five years. Previous to that, I had been troubled with Rheumatism and Kidney Disease, and had taken many remedies without satisfactory results. Noticing the advertisements of "Fruit-a-tives" I adopted this treatment altogether, and as everyone knows, I am now—and have been since taking "Fruit-a-tives"—enjoying the best of health".

""A horrid
rash came out all over my baby's face and spread until it had totally covered his scalp. It was irritating and painful, and caused the little one hours of suffering. We tried soaps and powders and salves, but he got no better. He refused his food, got quite thin and worn, and was reduced to a very serious condition. I was advised to try Zam-Buk, and did so. It was wonderful how it seemed to cool and ease the child's burning, painful skin. Zam-Buk from the very bommencement seemed to go right to the spot, and the pimples and sores and the irritation grew less and less. Within a few weeks my baby's skin was healed completely. He has now not a trace of rash, or eruption, or eczema, or burning sore. Not only so, but cured of the tormenting skin trouble, he has improved in general health."

Zam-Buk is sold at all stores and medicine vendors, soc. a box, or post free from Zan-Buk Co., Toronto, for price, dowes for \$5.50. A Certain cure for all skin diseaves, cuts, burns, etc., and for piles. am-Buk WARD DONOHUE'S
