Italian Delegates Remain Firm Over Concessions Question

TERRITORIES MAY BE TAKEN BY FORCE BY THE ITALIANS

DELEGATES FIRM IN THEIR DEMANDS AND ITALY MAY DECIDE TO DISREGARD ANY DECISION OF THE PEACE CONFERENCE—MEETING REACHES AN ACUTE STAGE AND A DECISION EITHER WAY IS DANGEROUS.

Paris, April 21.—The Italian issue over the Adriatic has reached an acute stage, where a decision one way or the other, cannot longer be deferred, and a decision either way is fraught with serious consequences.

Despite the Easter calm, which brought vast crowds to the churches and boulevards, the council of four continued its sessions at the White House beginning at 10 o'clock this morning. The Italian Premier, Vittorio Orlando, and the Italian foreign minister, Baron Sonnino, were present, and made it known that the opening of the Italian parliament on Wednesday has necessitated their leaving Paris on Monday with definite knowledge of what is going to be done.

Baron Sonnino continued to occupy the extreme position, insisting upon the integral fulfillment of the secret treaty of London, giving to Italy the entire Dalmatian coast and islands and also claiming the city of Fiume without internationalization or division with the Jugo-Slavs.

Premier Conciliating.
Premier Orlando was rather more

conciliating, though a telegram, which he had received from the heads of the Italian army, declared that the entire army was behind him in upholding Italy's aspirations. Captain Tozzi of Premier Orlando's staff said the telegram was in effect an ultimatum and disclosed how universal and deep rooted was the Italian determination to secure adequate protection on the eastern Adriatic coast. He added that if these rights were not recognized, Italy would undoubtedly adopt its own course, without reference to the conference and would occupy the regions to which she considered herself entitled.

President Wilson's position was said to be equally determined against any recognition of the secret treaty of London. Reports of a compromise on the basis of the Italian getting the Italian quarters of Fiume, and the Jugo-Slavs getting their districts, were not confirmed, as it was said that this was the plan put forward to the Italians, but not accepted. But early reports indicated that the session might be prolonged through the day in an effort to reach a middle ground.

HAWKER NEVER DID ANY WAR TIME FLYING

R. A. F. Officer States Both Airmen Preparing to Fly Atlantic Are Slackers

The following letter which is reproduced, appeared in the Toronto Star Weekly, and is of general interest owing to the proposed trans-Atlantic flight which Canadians are personally interested in, as the start is to be made from this side of the ocean:

Editor of the Star Weekly:
Sir—In view of the publicity which the press is according to the attempted trans-Atlantic flight and the credit being gained by the contesting pilots for their intrepidity in making the attempt, the following facts may be of interest to your readers:

When the war broke out in 1914 the R. F. C. was a very small unit, and there was a great dearth of pilots at the front. Every man who could fly a machine was urgently needed in France and every British airman with a spark of patriotism and self-respect hastened to join the R. F. C. Among British civilian pilots at that time the most prominent were Hucks, Hawker, Raynham, Birchenough, Gordon-Bell, the two brothers, De Havilland, Graham White, Porte, Gooden, Lillywhite, Turner and Rhodes-Moorhouse. Of these all, with the exception of Hawker, Raynham and Birchenough, joined the R. F. C. or R. N. A. S. and flew at the front. Hucks, Gordon-Bell, Gooden, Lillywhite and Moorhouse, the latter a young married man with a family and very considerable private means, are all dead; Rhodes-Moorhouse being the first airman to receive the Victoria Cross for the very great gallantry he displayed carrying out successfully a bomb raid when desperately wounded, as a result of which wounds he died a few hours after landing.

As the war went on the demand for pilots continued to increase out of proportion to the supply, but despite this fact, Hawker and Raynham stuck to highly paid, safe jobs as civilian testers of machines, work which could have been done as well and even better by men worn out with flying at the front, who knew from actual experience the requirements of war machines; and when conscription came in they, in conjunction with Birchenough, obtained exemption on the grounds of indisposition, despite the fact that by then there were hundreds of war pilots due for a home job who

could have done the same work for the country and merely in course of their duty. But \$50 for each machine tested, combined with the safety of such employment, was more than these heroes were prepared to sacrifice.

There are hundreds of pilots who have done a man's war time flying at the front during this war who would have jumped at the chance of piloting a machine in the trans-Atlantic flight, but they have not been given a chance.

The memory of the public is short, and if Hawker and Raynham succeed in their efforts they will be acclaimed as heroes ranking with the most famous of those produced by the war, and the fact that they have consistently shirked taking any risk from the day the war started and confined their energies to making money when real men were risking their lives, will no doubt be entirely lost sight of. As I am not yet demobilized, I am not at liberty to sign my name, but I enclose my card.

AN R. A. F. OFFICER.

LARGE NUMBER OF BLUE BLOODS HAVE LOST OUT

Germany has Fired 278 Royal Persons Since the Commencement of the World War.

Berlin, April 21.—A German professor figures out that the abductions and detronements in Germany includes 278 persons. Bavaria leads with one King, one Queen, fifteen Princes, sixteen Princesses, five Dukes and one Duchess.

Prussia has sent 33 royalists into exile, including the Emperor, Emperor, twenty Princes and eleven Princesses.

Brunswick is at the bottom of the list, with only the dual couple and their three children. The two tiny principalities of Reuss, whose area is hardly one-third hundredth part of that of Prussia, have exiled 38 royalists.

The principality of Lippe, only about twenty square miles larger than the Reuss, states had a royal family numbering 24 persons. Most extraordinary in the case of Schumburg-Lippe with its area of 130 square miles, where there was nearly one royal personage for every five square miles. These included the reigning Prince, seventeen Princes and seven Princesses.

CABINET MEMBERS FLED

Vienna Ministers do a "Bunk" When Shooting Started at Parliament Buildings.

Copenhagen, April 21.—Five policemen were killed and forty wounded, and twenty soldiers and workmen were wounded, in a clash before the Parliament building in Vienna Thursday, according to a dispatch from that city Saturday.

Wounded soldiers and unemployed attempted to interview the ministers, who refused to see them. The delegation began firing and stormed the building.

STORMS DELAY START OF THE AIR FLIGHT

Aviators Prevented From Making Their Hop-off on Trans-Atlantic Trip—Crowds Watch Inspection of Machines.

Saint John's N.F., April 21.—Although local weather conditions were favorable, two storms were reported yesterday working westward from mid-Atlantic, and for this reason neither Harry G. Hawker, Australian airman, nor Captain Frederick P. Raynham, Britisher, hopped off yesterday as they expected in competition for the \$50,000 prize offered by the first successful trans-Atlantic flight.

Both Hawker and Raynham spent the day preparing to take the air. Hawker devoted himself to testing wind conditions by setting free pilot balloons from the airframe on Mount Pearl plateau and studying the course as the off-shore winds carried them out to sea. Raynham put in hours in his hangar at Quildivid working on his plane.

Raynham's Martinsyde later was trundled out for inspection of the motor, supplemental water tank and radiator. Satisfactory results were reported at the end of the tests, especially that on the radiator, which Saturday was repaired. Hawker seemed in a jovial mood all day, although he said conditions at sea were the worst since he came here nearly a month ago.

The largest crowds, which yet have watched preparations for the flight, turned out yesterday as the ideal weather locally had led many to expect the start of the trans-Atlantic race before nightfall.

Drift ice loomed up on the horizon yesterday morning, and a great iceberg was reported swinging close inshore off Cuckhold's cove.

SEBASTOPOL EVACUATED

Crimean Government Withdraws and City is Now in the Hands of the Revolutionary Committee.

London, April 20.—Sebastopol has been evacuated by the Crimean government, which is proceeding to Constantinople. The government of Sebastopol is now in the hands of the revolutionary committee.

This announcement is made in a Russian wireless dispatch, which adds that after negotiations with the Allied Command, an agreement was reached for an eight days' armistice, expiring on April 25th.

London, April 20.—The first Bolshevik army operating along the region of Homel, along the Pripiet river, has surrendered to the Ukrainians, according to a statement issued by the Ukrainian press bureau and forwarded from Vienna to the Central News.

Up to the time that the report was forwarded, 20,000 rifles, 35 guns and 200 machine guns had been handed over to the Ukrainians.

Three young men of this city came near meeting a watery grave off the 16 mile creek on Saturday. Reports are to the effect that they shot at and wounded a loon in the lake, and in going after him in a canoe they upset, and were compelled to cling to the craft in the cold water for about two hours until rescued.

TWENTY-THREE MEN NOW OWN ALL CANADA

Mr. Mellicia Tells Workers Educational League That He Believes This to be True—Gives Interesting Address on Labor Unrest.

There was a crowded house at the open forum of the Workers Educational League held in the Griffin Family Theatre last evening to hear Mr. F. Mellicia give an address on the subject of "Labor Unrest, its Cause and Cure," and they were well rewarded, for the address was most interesting from start to finish.

Mr. Mellicia who is a forceful speaker traced the history of labor unrest from the early days up to the present time.

At the commencement of his address, the speaker pointed out that the social unrest which exists to-day is the result of the working class the world over—and is only different from the unrest of other days in so far as it is more general.

Steadily Growing
This unrest has been brought about in many ways and is steadily growing and something must be done to ease it. The speaker told of letters from Mr. Lindsay Crawford, editor of the Statesman who had been cautioned by the government that he must bury all stories of strikes away in inconspicuous places in his paper.

This was a sample of the censorship of the press that exists in Canada or did exist a short time ago.

Continuing Mr. Mellicia read an editorial from the Toronto Globe of last June on the subject of political education and stated that the educational institutions teaching this subject do not tell the truth. He then cautioned his audience to be careful what they read and not to accept anything until they had analyzed it from start to finish. For the people (Continued on page 5)

THIRSTY MEN NOW TURN TO JUAREZ CITY

Mexican Metropolis Has Become the Oasis in the Great American Prohibition Desert.

El Paso, Tex., April 21.—Juarez, the Mexican metropolis of border towns, has become the oasis in the great American prohibition desert.

On Calle Comercio, the number of saloons has increased since the operation of the Texas ten-mile military zone law until every other door opens into a barroom. Barrels of American made whiskey and wine are offered to persons permitted to cross the border under prevailing passport regulations. Many of the old-time El Paso saloon-keepers, who were familiar figures at amous and notorious places here, have donned white aprons in Juarez. Bars have been set up in Juarez, slot machines have been installed, and except for the preponderance of Mexican drinkers, a visitor might think he was in an El Paso bar of former years.

Bootlegging, the handmaiden of the border saloon, is becoming an important industry. American authorities have discovered that Mexican servants, wash women and street laborers, who cross to El Paso each morning carrying contraband liquor in quantities and are making far more money, through its disposal than they are from their labors.

The prosperous Mexican saloon-keepers say that a return to normal passport regulations will make Juarez the mecca of sporting men from the United States.

Mr. Robert Ransom, a highly respected employee in the Shirley Saw Works passed away on Sunday after a short illness. A widow and two sons survive him. The remains will be taken to Blenheim, Ont., for interment at 8.15 a.m. on Tuesday.

MANY MURDERS

Serious Crime Wave Sweeping Over City of Chicago.

Chicago, April 21.—Forty-eight hours of extreme violence caused Chief of Police Garrity to summon all commanding officers to his office and warn them that unless there were unremitting efforts to check the crime wave, some of them would face the trial board. Up to 1-day records of the Chief's office showed that since January 1, there had been 43 murders in the city, 29 deaths from manslaughter and eight homicides, a total of eighty killings in 108 days. In addition, 202 stores had been robbed, 94 saloons held up and looted, and three ticket sellers in elevated railway stations forced to surrender their cash. Three major causes were given by the Chief for the reign of lawlessness: Discharge of criminals from the army; unemployment; too few policemen.

SUCIDAL TO GIVE IRELAND SAME STATUS

Emerald Isle Lies Too Close to Britain to Have Possession of Independent Naval and Military Forces.

London, April 21.—The Daily Telegraph says regarding what it styles as the "unfortunate declaration in the press by Sir Horace Plunkett that nothing less than the status of the self-governing Dominions must be conferred on Ireland," that there is no comparison between the position of Ireland, with her close geographic proximity to Britain, and the position of the self-governing Dominions.

The latter, the Telegraph points out, are practically independent and united to the Empire by the pure bond of sentiment. The possession of independent military and naval forces is the most distinctive feature in Dominion status.

To contemplate that in the case of Ireland would be to contemplate suicide. The advocates of Dominion status for Ireland have never faced this aspect of their scheme, but it is a vital aspect. What they propose is in effect complete independence, nothing less.

POLICE COURT NEWS

His Worship Mayor Elson occupied the Magisterial chair this morning and fined five citizens \$2 each for not keeping their auto lamps aglow. Another infringer paid \$2 because his dog was at large on Sunday.

Mike Ivanfence, who took the liberty of celebrating Easter by having a big drink in his person, paid \$15 for the fun.

CHICAGO TO NEW YORK WITHOUT A STOP

Mineola, N. Y., April 20.—Flying at an average speed of 106.36 miles an hour for six hours and fifty minutes, Captain E. F. White, an army aviator, completed the first non-stop flight between Chicago and New York at 5.40 o'clock Saturday afternoon landing at Hazelhurst field.

The distance covered was 727 miles. Most of the night Captain White said was made at an altitude of 12,000 feet.

SAFE CONTAINED VALUABLE JEWELS

London, April 21.—A Hungarian Government wireless despatch received here says that the Budapest authorities have opened the safe of the Hungarian Allgeime Kredit Bank containing the jewels of Joseph Hapsburg, former Archduke Joseph, and his family, including diadems, collars and diamonds at a value of over four million kroner.

Y.M.C.A. APPEAL REFUSED BY COUNCIL

Ottawa, April 20.—Carleton County Council to-day refused an appeal from the Y. M. C. A. for a grant of \$4,000 towards its war work. The Council has heretofore granted upwards of \$12,000 yearly since the war started.

SOLDIERS HAVE TAKEN OVER VIENNA AND QUIET PREVAILS

REPRESENTATIVE OF THE ALLIES ISSUES PROCLAMATION DECLARING THAT IF THERE ARE FURTHER DISTURBANCES THE FOOD SUPPLY WILL BE CUT OFF—NO TROUBLE IS FEARED.

Vienna, April 21.—Control of Vienna has been taken over by the Soldiers' Council. Quiet prevails, but communicating of the property of those unable to resist has been begun. It is possible there will be no change in the name of the Government, but it will be Bolshevik in purpose.

The situation is much the same as it was at Budapest a few hours after the Radicals had taken control. The policing of the city has been taken over by the Volkswehr. The Parliament Building was occupied this morning by two battalions of soldiers after representatives of the Soldiers' Council had placed 5,000 men at the Government's disposal upon the understanding that the police would be dispersed.

Col. Cunningham, in the name of the allies, has issued a proclamation

declaring that if there are further disturbances the food supply will be cut off. For that reason serious trouble is unlikely. While it is possible there will be no change in the name of the Government it will be none the less Bolshevik in purpose.

Dr. Karl Renner, the German-Austrian Chancellor, said to the correspondent today: "Vienna is safe from Bolshevism. The situation is well in hand, thanks to the reliable soldiers of the Volkswehr. The whole trouble was caused by an lot of unruly young men who interfered with the consultations of deputations of workmen and invalided soldiers at the Parliament Building. Several policemen were killed and many wounded, but the police controlled the trouble from the beginning. I am sure here is no danger to Vienna."

THOROLD

Mr. Craig Hamilton, of the Technical School, Toronto, formerly of the Exelon Company's Plant, spent the Easter holidays very pleasantly with old friends in town.

Mrs. Collard and sister, Mrs. George Matthew, are both quite ill at their home at Port Robinson. Mrs. Arthur Haines residing at the Town Line has left to attend their bedsides.

Mr. Frada has opened up his grocery business on Albert Street in the stores vacated by Nicholas Mezzo. Under the new arrangement the place looks much larger, and Mr. Frada will also have the shop next, now used as a shoeshop by Mr. Florentina, removing the wall between. This will make a very commodious shop, though it be of unique shape, the front exceeding the depth.

The funeral of Mrs. M. Barnes, who died at Niagara Falls on Monday last was held at Thorold on Wednesday, the remains being interred in Lakeview Cemetery beside those of her husband, who predeceased her one year ago. She leaves two small children to survive the loss of an affectionate mother. Rev. Canon Piper officiated at the graveside.

Mr. Edward Reaume, of Detroit, Michigan, spent the week end very pleasantly at the home of Mr. and Mrs. Whitaker, Front Street.

The services in the Methodist Church were largely attended on Sunday, Rev. R. S. E. Large occupying his pulpit both morning and evening. The music rendered by the choir and the direction of Mr. John Read, was exceptionally good, and very much enjoyed.

Mr. and Mrs. Daniel Sembell, Miss Hanselman and Mr. Charles Tefft, all of Detroit, Michigan, motored to Town and spent the holidays very pleasantly with Mr. and Mrs. Whitaker, Front Street.

A Whist Drive and Dance, also a benefit concert will be held on Wednesday evening, April 23rd, under the auspices of the Daughters of England in the Sons of England Hall, Front Street.

Rev. Canon Garrett, Rector of St. Mark's, Niagara-on-the-Lake, preached at both services in St. John's Church on Sunday. At the evening service he made touching reference to the death of Edward Charles Piper, son of Rev. Canon and Mrs. Piper, who passed away on Friday afternoon at Hamilton, and whose remains are to-day lying in state at the church waiting for the service which will be held this afternoon.

The Daughters of the Empire contemplate holding a card party and dance in the I. O. D. E. rooms, St. Paul Street, St. Catharines, on Tuesday evening, April 29th. Strong's ten piece orchestra will supply the music for dancing and no doubt a large number will attend to help this good cause along.

A baptism service was held at the morning service in the Methodist Church, when the little daughter of Mr. and Mrs. George Slotkin, Windle Village was baptized.

Private Neal, son of Mr. and Mrs. W. H. Neal, who was a prisoner of war in Germany, for a period of four months, and who was released one month after the armistice was signed, has arrived home, and is receiving a hearty welcome by his many friends.

Miss Etchel McMann is spending the day with friends in Toronto.

Mr. Peter Verulen, who has made his home in this country for the past fourteen years with Mr. and Mrs. George Ryckman, leaves in a very few days for his home in Antwerp, Belgium. During Br. Verulen's stay in town he has made a host of friends who will regret to hear of his departure.

Mr. Thomas Arnold, W. J. L. Arnold, who has been engaged as cutter for some time past at the Richings butcher shop, Front Street, has resigned, and will start a business of his own in the next few days, occupying the building on Clarendon Street next to the City Hotel. Mr. Arnold has many friends in town who wish him every success in his new undertaking.

Miss Eleanor Hodges, Welland Street, spent the Easter holidays very pleasantly with relatives in Buffalo, N. Y.

Miss Hattie Koepell left this morning to spend a few days in Buffalo, N. Y.

Mr. J. Smith, of Hamilton, who has recently returned from active service overseas, has arrived in town and accepted a position as cutter at the Hodge Butcher Shop, filling the position made vacant by Mr. Thomas Arnold. Mrs. Smith and family will arrive in town as soon as a house can be located by Mr. Smith.

Mr. Frank Moore, of Buffalo, N. Y., spent the Easter holidays the guest of his father, Mr. E. Moore, Vine Street.
