A FATAL ACCIDENT.

David Wilson Killed by Falling from the Roof of T. G. Loggie's House.

A very sad and fatal accident occurred at T. G. Loggie's residence, corner church and evidently struck on his head and shoulder. He was on the ground probably five minutes before he was discovered unconscious, with blood 'oozing out of his ears and nose. He was at once carried into W. T. Whitehead's residence, doctors were promptly on the spot, and he lay there nearly an hour when it was thought advisable to remove him to Victoria hospital. A stretcher was prepared, tender hands arranged the poor fellow's temporary bed, and strong

arms carried him to the hospital His wife had arrived before this and was almost distracted with grief. From the first, Wilson's injuries appeared likely to prove fatal. His collar bone was broken and it was believed that the base of the skull was fractured. He never recovered complete consciousness. He was able to recognize his wife for a moment and his pastor, Rev. F. C. Hartley, but that was all. He was kept constantly under morphine and whenever its effects commenced to wear off he would struggle as if in intense pain. Dr. McLearn, the attending physician had some hope of his patient's life Wednesday morning, but it was very faint. There was nothing to be done for the poor fellow and he died shortly before midnight Thursday the close of a happy holiday for many but

The deceased was a popular young man and his death is a great shock to his family and friends. He was a good living, religious fellow, a prominent worker in the Free Baptist church, and a very near friend to Rev. Mr. Hartley. The funeral takes place at 2 p.m. tomorrow at St. Marys, and will be Amos Thompson has sold his farm a under the direction of the Foresters of that place. DEATH OF SAMUEL DAYTON.

For Forty Years a Prominent Residen of St. Marys. The village of St. Marys is in mourning to-day through the death yesterday afternoon of Squire Samuel Dayton, one of its most prominent and popular citizens. Mr. Dayton was taken ill two weeks ago while on a business trip to St. John, and gradually sank until yesterday afternoon, when death relieved him of his sufferings. He was a native of Douglas, but has been a resident of St. Mary's for forty years, being engaged nearly all that time in mercantile business. He was burned out in the fire last fall, but rebuilt his residence and store on a much larger and more con venient scale, and was doing a good business. Mr. Dayton was an intelligent and enterprising man, and was personally liked wherever he was known. He held the office of justice of the peace for many years, and his influence was always on the right side. He was twice married first to Miss Hanselpecker and second to Miss Gilman, sister of Ald. Gilman of this city. The latter, with five children by his first wife and three by the second, survives him. One of his sons is Milton Dayton, merchant, of Edmundston, and a daughter is the wife of H. B. Kilburn of the First National bank at Houlton. Another daughter, deceased was married to J. W. McCready of this city.

THANKSGIVING FOOTBALL. St. John Downs the University, but Strike a Snag in the City Team.

The St. John footballists accompanied by a number of their friends and admirers arrived Thursday morning and registered at eague series and a return match with the dependence as THE HERALD has shown in Frederictou city team, and play took place regard to the suspension bridge investigain Scully's field in the afternoon before about five hundred spectators. The University game was called first and was a very lively one. The University boys put up a good game but were beaten 3 to 0, thus giving St. John the chance to play off with Sackville for the league cup.

After a few minutes rest, the St. John and Fredericton teams were pitted against each other, but it was soon evident that the boys from the foggy city were no match for Wilmot, with a list of fifty-two, and it is the celestials, who walked through the visitors as if they were corn-stalks. A rush line with such men as Kitchen, Elsdon, Doran, Murphy, McLeod and Fraser, could not be withstood, and they were backed by expert sprinters in Gibson, Veazey, McLellan, Utton and Parlee. Utton's superior play was much admired. He had two trys to his age to property has been enormous. credit. Kitchen, also a strong player, made one, and Muryhy kicked a goal. When the game closed, the score stood 14 to 3 in It is the opinion of experts that the Fredericton football team, as constituted Thursday, could have downed any team in New Brunswick: they will retain their organization and be in the league next year to win.
